Reaching Out Pamela Nadeau,2002 We may feel we are spiritual beings living inside physical bodies yet know that life s big challenge is to live a spiritually good life For how can we be spiritually good when life can invite us to be unloving unkind or just plain confused Is this dilemma different as we enter the 21st Century with its complex technologies and renewed threats to global survival Are there simple solutions to staying spiritually good and physically alive no matter when we live in history Or does each generation need to find its own way The author had no answers to such thoughts only more questions until the day an extraordinary entity joined her debate Hailing from an Egypt of 5000 years past and communicating through channeled material Princess Hats upset wades deep into the topic with her endearing blend of humor metaphor and compassion She wins and heals the hearts of those who read her Are we so different from our forebears Read about and experience the magical mysteries of an Ancient Sisterhood of Healing Hearts Will your 21st century heart also be healed

The New Revised Hill's Manual Illustrated Thomas Edie Hill, 1897 **Soul Workout** Janice Speddings, 2013-11-25 Using the words soul and workout in the same sentence may seem implausible and stretching artistic licence too far but in the Soul Workout book the improbable becomes believable and the only stretching to be done is metaphorical An imaginary visit to the gym for a workout becomes a metaphor for the spiritual disciplines of Bible reading prayer and contemplative reflection Going to the gym may not be everybody s cup of tea but when the idea is transposed into the metaphor everyone can breathe a sigh of relief lycra and dumbbells will not be required What is needed is a willingness to be open to prayer spiritual reflection and a desire to look for creative ways to deepen your faith journey this is what Soul Workout offers By methodically guiding you through the metaphor Janice Speddings shows how different aspects of the gym have their spiritual counterpart so cardiovascular exercise is likened to time spent building a deeper relationship with God the heart and life blood of the Christian faith while spiritual weight resistance exercise is seen as a way of learning to carry life s burdens with added strength and resilience You need no previous experience of contemplative prayer as all the exercises are fully explained and offered at basic or advanced levels Part 1 includes a helpful chapter for those with little or no experience of planning and running a group event while part 2 works through the metaphor step by step including spiritual reflections as exercises extra tips are offered for group leaders Part 3 deals with hanging on to the feel good factor after the workout is finished As a tried and tested metaphor this inspirational book provides a down to earth easy to read
