Making Room Leader Guide Ed Robb, 2020-09-01 Often our Advent preparations have an inward focus as we prepare for the significance of God breaking into our world through the birth of the Christ child But in a closer examination of the Advent story we quickly learn that the focus of the coming of the newborn king is outward In this book and Advent study Dr Ed Robb explores the warmth of welcome at Christmas following interactions with Mary and Joseph the shepherds and the magi Just as Jesus made room in God s kingdom for a host of people that society wanted to leave on the margins beginning with the appearance of the shepherds we too should be asking ourselves who we can make room for this Christmas Perhaps it is to the people in your community or the newly immigrated family in town that doesn t speak your language Or maybe it s the next door neighbor who just settled in from yet another corporate move The story of Christ s birth encourages us to widen our borders and increase our sense of community and make room for others The Leader Guide contains everything needed to guide a group through the four week study including session plans activities and discussion questions as well as multiple format options

Priestly Identity Thomas J. McGovern, 2010-04-01 It is generally accepted that since the end of Vatican II there has been a crisis in the Catholic priesthood This is reflected in two areas in particular defections from the priesthood and a serious decline in vocations primarily in the developed countries of the West John Paul II has addressed this situation many times during his pontificate especially in *Pastores dabo vobis* where he offers a clear theological vision and a program of formation to overcome the current crisis of priestly identity In his new book McGovern offers a deep analysis of the Pope s theology of priesthood drawing not only from *Pastores dabo vobis* but also from his Holy Thursday Letters and other important writings on this topic In this study the author deals with core aspects of priestly identity under three main headings theological spiritual and pastoral in the context of service to the lay faithful and the evangelization required of the Church in the new millennium

The Unfolding Gospel John P. Bowen, 2021 Many congregations and their leaders are discouraged about the future of the church John Bowen s conviction is that the solution is to be found not in new programs or strategies but in a recovery of theological vision that of Jesus and his gospel which transforms every aspect of life This vision restores hope in the only way realistically possible _ Words like mission discipleship church evangelism renewal and church planting are used like billiard balls all rolling around a single table unconnected and bouncing randomly off one another This book pulls these ideas together into a coherent and organic whole The gospel is the hermeneutical key for understanding each of these topics and what draws them together Thus chapter 1 is

an exposition of the gospel God's determination to make all things new through Jesus Christ Chapter 2 discusses discipleship we only understand discipleship in light of the gospel and chapter 3 covers church we only understand church if we understand discipleship Chapter 4 considers culture as the arena in which the gospel is lived and talked about and chapter 5 builds on that with a discussion of translation not only as a missional necessity but as a ministry which itself incarnates the nature of the gospel The remaining chapters on evangelism the future of inherited churches church planting and leadership demonstrate how the gospel is the integration point for all _ The author's hope is that church leaders evangelical and mainline young and old emerging and traditional present and future will have a transformative Aha moment as this gospel hypothesis unfolds _

Spiritual Direction: A Guide for Sharing the Father's Love Fr. Boniface Hicks, Fr. Thomas Acklin, 2017 The need for spiritual direction or the accompaniment of a spiritual guide is becoming more prominent in a world where so many are suffering from so many wounds With a harmonious integration of both timeless spiritual wisdom from the Catholic Church's tradition of prayer and direction and the insight of the psychological sciences Fathers Thomas Acklin and Boniface Hicks offer a comprehensive guide for all who provide or seek spiritual direction *Spiritual Direction A Guide for Sharing the Father's Love* fortifies priests religious and lay faithful who embrace the ministry of spiritual direction and accompany the wounded assist men and women in hearing the voice of God and model the love and mercy of the Father for the many who are seeking Him but do not know Him or have false images of Him This book also shows how various aspects of the spiritual life can emerge from and be fostered by a one on one relationship with a spiritual director Together with concrete guidelines and numerous examples from personal experience this book refers extensively to Sacred Scripture as the foundation for spiritual direction Furthermore since the practice of spiritual direction goes back to the first centuries of the Church the authors turn for guidance to the Doctors of the Church the writings of the saints and the papal magisterium in developing and supporting their insights *Spiritual Direction* will call spiritual directors to deeper holiness even as they assist others in growing closer to the Father through His loving gaze of mercy

Friends in a Broken World Soo-Inn Tan, The Spiritual Formation of Seminarians James Keating, 2025-05-16 In this book Deacon James Keating provides an opportunity for one spiritual director to introduce his mind to the minds of other directors with the hope that his ideas may season their own already developed method of direction The book does not attend to all the possible realities a director may encounter within his or her training or within the daily execution of this ministry The author wishes to share his approach to directing seminarians by reflecting upon themes and experiences which regularly appear within direction sessions Spiritual direction certainly has some universal components to it All directors want their directees to internalize a habit of prayer to choose a life of remaining with God to

suffer the vulnerability necessary to know divine love and to then embody that love as heralds of the Gospel But each director approaches his or her directees from within their own skin from within a personality that is unique and by way of a formation that reflects the unique attractions of each director and his or her own sufferings failures and fidelities These unique embodiments no one writer can know or capture in a book And so this book simply begins a conversation that the author invites other directors to enter and add to according to their own insights The spiritual life of those in seminary occupies the integrating center of a projected life of priestly ministry Time needed to secure an interior life of prayer is one of the key reasons the Church demands years of formation before the celibate state is entered Such a state in life is entered as a testimony to the reality that God lives and loves In light of such love a man enters seminary to discern if he desires to surrender his whole life in response to God sharing His own To live as a cleric without a vital interior life leaves a man in a state of meaninglessness Instilling the virtue of prayer during priestly formation can help assure that celibate priesthood retains its inspiration and meaning throughout the life of a priest Spiritual directors minister to assist a future priest to secure a lifetime habit of prayer so as to secure his commitment to communicate with the living God **On the Emmaus Road** Mary Brennan Thorpe, 2020-11-17 How can a church best respond when their priest tells them I m retiring or I ve been called to another parish This book outlines to receiving a new ordained leader recognizing that every parish is different Discerning exactly what your parish needs can be both a challenge and a joy and On the Emmaus Road affirms that you can listen to God s voice while attending to other day to day tasks Based upon several years of doctoral research into the work of search committees in the Diocese of Virginia this book has been refined through the experience of using its new methodologies in over seventy five calls With both traditional and creative new approaches to the clergy search process Thorpe gives a wealth of resources for your parish to not only survive the days to come but thrive in the midst of them
