Moneyya,2016-09-19 Extract from Preface 2005 I started this book in May of 2004 as a six page letter to my mother who currently lives in Armidale Australia Earlier that same month she had received a copy of Knowing and Seeing from our Sayadaw and I was concerned that without a background in Therav da Buddhism she would have difficulty understanding his book As it turned out my fears were unfounded My mother read the book twice and found it extremely helpful On the other hand I was not totally satisfied with my letter In retrospect I felt it glossed over too many important topics in addition it did not address the very real need for clear and practical introductory information for foreigners As a Westerner I had become aware of this need during my first visit to Pa Auk Forest Monastery some four years earlier I began to revise the letter heavily detailing the Four Noble Truths in the Introduction and using the threefold training as an outline I supplemented the text with more than a hundred footnotes included several appendices dealing specifically with conditions at this monastery and finally added a sixteenpage index From a book published by Pa Auk Meditation Centre a Centre of Therav da Buddhist Tradition **Qatar Country Study Guide Volume 1 Strategic Information and Developments** IBP, Inc.,2016-04-17
