2015 Sports Awards Speech

Good Evening, as my good friend and classmate, John O'Brien, mentioned, my name is Vincent LaPuma and I graduated Cathedral in 2015. When John asked me to give this speech, I admit, I was a bit hesitant. Hesitant because I am not a fan of public speaking, I never have been. I thought about it for a few days. I remembered sitting in the very seats that you are all sitting in tonight. I remembered working hard throughout the year and looking forward to the sports awards dinner. I came to the conclusion that I owed it back to Cathedral to give the speech. For all that Cathedral for me while I was here and since I graduated.

I want to speak to you tonight about being an underdog and being looked at differently by others. Two stereotypes that are almost always associated with being a Cathedral Man. I am going to speak about my family and myself as an example of that and how being a Cathedral man helps you overcome anytime you feel like that underdog, or when you feel like everyone else looks at you differently.

I grew up in Maspeth, Queens. That was where my parents bought their first home and still live in to this day. My parents migrated to New York from Sicily in the early 1970's. Not knowing English, my mother and her sisters attended Long Island City High School while my grandfather worked in the fire proofing union and my grandmother in a garment factory. Not being able to speak the language put them at an immediate disadvantage. Underdogs. They were ridiculed, teased, even

Finding a New Midwestern History Jon K. Lauck, Gleaves Whitney, Joseph Hogan, 2018-11-01 In comparison to such regions as the South the far West and New England the Midwest and its culture have been neglected both by scholars and by

the popular press Historians as well as literary and art critics tend not to examine the Midwest in depth in their academic work And in the popular imagination the Midwest has never really ascended to the level of the proud literary South the cultured democratic Northeast or the hip innovative West Coast Finding a New Midwestern History revives and identifies anew the Midwest as a field of study by promoting a diversity of viewpoints and lending legitimacy to a more in depth rigorous scholarly assessment of a large region of the United States that has largely been overlooked by scholars The essays discuss facets of midwestern life worth examining more deeply including history religion geography art race culture and politics and are written by well known scholars in the field such as Michael Allen Jon Butler and Nicole Etcheson *Journal of Health, Physical Education, Recreation* ,1963 *Sports Diplomacy* Stuart Murray,2018-06-13 This book offers an accessible overview of the role sport plays in international relations and diplomacy Sports diplomacy has previously been defined as an old but under studied aspect of the estranged relations between peoples nations and states These days it is better understood as the conscious strategic and ongoing use of sport sportspeople and sporting events by state and non state actors to advance policy trade development education image reputation brand and people to people links In order to better understand the many occasions where sport and diplomacy overlap this book presents four new inter disciplinary and theoretical categories of sports diplomacy traditional new sport as diplomacy and sports anti diplomacy These categories are further validated by a large number of case studies ranging from the Ancient Olympiad to the recent appearance of esoteric government sports diplomacy strategies and beyond to the activities of non state sporting actors such as F C Barcelona Colin Kaepernick and the digital world of e sports As a result the landscape of sports diplomacy becomes clearer as do the pitfalls and limitations of using sport as a diplomatic tool This book will be of much interest to students of diplomacy foreign policy sports studies and International Relations in general Media Literacy in Action Renee Hobbs,2024-10-14 There s never been a more important time for students to develop media literacy competencies When students ask critical questions about the media they consume they develop fundamental knowledge and critical thinking skills that prepare them for life work and meaningful citizenship Media Literacy in Action addresses learners who are simultaneously active as both creators and consumers of media messages At the same time the book recognizes that everyone is vulnerable to media influence because of our dependence on the instant gratification and feelings of connectedness that digital platforms provide To thrive in a media saturated society people need to ask critical questions about what we watch see listen to read and use This book gives students those tools Key features of the second edition Critical examination of AI technologies algorithmic personalization data privacy and surveillance and the increased global regulation of digital platforms Attention to media literacy for empowerment and protection Inquiry oriented approach to learning that cultivates intellectual curiosity and creative expression Full color presentation with figures and photos to increase student engagement Each chapter includes Media Literacy Trailblazers Profiles of key thinkers and their theories connect students with the discipline of media literacy Media

Literacy DIScourse NEW Visual representations of media literacy theoretical principles help learners internalize the practice of asking critical questions as they respond to specific media examples Learning in Action NEW Summary and vocabulary sections combine with Analyze Create Reflect and Act activities to empower students to apply ideas from each chapter Supplemental Materials available at www.mlaction.com Students can review key ideas learn about more Media Literacy Trailblazers and watch videos aligned with each chapter Instructors can access a Teacher's Guide of best practices in class activities homework and projects Also available are chapter summaries lecture slides YouTube playlists and test materials

Sports, Media, and Society Kevin Hull, 2024-03-26 Details how sports media and social issues intersect outside the playing field Featuring a unique blend of theory discussion topics and pertinent case studies the text takes students beyond the how tos of creating content to understanding the whys behind it Sport and Alcohol Carwyn Rh. Jones, 2016-02-12 There is a clear sense in which sport has played and continues to play an important role in the normalization and legitimization of routine excessive and problem drinking sport and alcohol have become inextricably linked Alcohol companies provide funding in the form of sponsorship fans consume alcohol when watching and players celebrate bond and relax with alcohol Sport and Alcohol an ethical perspective aims to critically examine the various ways in which sport and alcohol interact In doing so the book casts an ethical eye over the following topics Society's relationship with alcohol Sponsorship and marketing of alcohol through sport and its effect on children Sport's alcohol tolerant ethos problematic drinking practices and rituals Punishment and discipline in relation to athletes drink related bad behavior Alcoholism in the context of sport and the need for a greater understanding of the condition how it develops and what can be done The status of athletes as role models Offering a much needed critical assessment of an important issue in contemporary sport and society Sport and Alcohol is essential reading for those interested in the social cultural or philosophical study of sport in general and sport and alcohol in particular *Change Your Mind, Change Your Body* Ann Kearney-Cooke, Florence Isaacs, 2004-06-30 The rest of your life lies ahead of you Do you want to spend it fighting your body and worrying about things you can't change Or do you want to live your life to its fullest by combining age experience and creativity to develop a new vision for your body and self Women in midlife face many changes such as children growing up returning to the workforce or retiring from it Then there are the physical changes crow's feet saggy arms an expanding waistline The transformations within us and around us can leave us feeling anxious ineffective and out of control especially in a culture that defines midlife as the beginning of a decline It's easy to look at our lives and ourselves and wish we could turn back the clock but it doesn't have to be that way Midlife is a time of opportunity to renew grow strong set new goals and redefine who you are Change Your Mind Change Your Body Feeling Good About Your Body and Self After 40 gives you the tools you need to utilize your wisdom and experiences to shape a new vision of who you are and what you want your life to look like right now Learn how to Cope with the physical and mental changes that midlife brings Revamp ideas of what is sexy and desirable Turn

fears of aging into tools for positive growth Develop a positive realistic body image Embrace who you are and who you will become Set weight and exercise goals you can really achieve Help our daughters create a positive self image You have the power to renegotiate your relationship with your body yourself and the world around you and Change Your Mind Change Your Body will help you discover and use it *The Elements of Great Public Speaking* Lyman MacInnis, 2009-05-29 There is no such thing as a boring topic just boring speakers Great speakers aren't just born they prepare and they practice The Elements of Great Public Speaking takes the fear out of taking the podium by distilling essential techniques and tricks for just about any speaking occasion and it shows you how to sound and act like someone worth listening to Experienced business people nervous students best men and eulogists alike will benefit from MacInnis simple direct advice on everything from body language and word choice to responding to the audience and overcoming stage fright **The Extra-ordinary School** Colin Symes, Daphne Meadmore, 1999 Analyzes the extraordinary behind the ordinary in UK schools arguing that the extraordinary represents an important dimension of the way the organization of the school is maintained and managed Deals with the culture of the school then looks at aspects of school administration having to do with school time school efficiency drives and the testing examination culture Examines the risk culture associated with end of the year rituals and health projects in schools associated with physical education and AIDS No index Annotation copyrighted by Book News Inc Portland OR Present Like a Pro Carl Hausman, 2017-01-26 Highly accessible full of memorable examples and at times amusing this book presents ten powerful techniques for getting your point across in all venues including new media In today's world nearly everyone including business professionals and executives salespeople teachers authors and entrepreneurs in short anyone who needs to put an idea before others needs strong presentation and persuasion skills Moreover just as important as traditional public speaking skills is the ability to present effectively via various media Today's presentation is just as likely to be given over Skype or on YouTube as in a room before a live audience Present Like a Pro shares the expertise of a veteran presenter who knows what is demanded in today's marketplace and has lectured publicly appeared on television and testified before Congress The straightforward step by step instructions provide a sensible plan of attack for preparing and presenting The ten techniques give readers the ability to simplify the challenge of presenting to understand what works and to develop an effective strategy for solving any presentation problems not directly covered in the book Author Carl Hausman addresses all of the common problems for those new to presenting or working in a new environment such as overcoming stage fright injecting humor and wit into a presentation while delivering credible expertise and winning over an inattentive skeptical or hostile audience Sport, Media and Discrimination Daniel Kilvington, John Price, Jasmin Seijbel, Jacco van Sterkenburg, 2025-12-17 Sport Media and Discrimination provides critical interdisciplinary and international perspectives on how sports media constructs and reinforces discrimination in contemporary societies The book argues that the importance of sport within modern culture means sports media has a powerful role to play in circulating and combatting potentially harmful

ideas Furthermore the recent explosion of online and social media related discrimination makes the understanding and tackling of these problems a matter of social importance and urgency Including theoretical and empirically informed contributions from leading researchers from around the world the book examines four core themes diversity and the sports media sports media representations and receptions social media sport and discrimination and Esports and discrimination Featuring fascinating contemporary cases including amateur footballers ethnicity and sports media gender imbalance in Australian sports media the legal regulation of social media and the digital representation of Black women footballers in the FIFA videogame the book offers a clear sense of the key issues and questions in this field while offering potential solutions and ways forward This book is important reading for anybody with an interest in the sociology of sport sports media and communication gender studies race and racism media studies or the impact of technology on society
