

Sportsmanship Guidelines for VHSL Events

The following guidelines are provided to the administration, teams, cheer squads, students and spectators of VHSL member schools. These guidelines/expectations will be followed at all VHSL event competitions. Please educate your constituents regarding what is expected of them when participating in state level tournaments. It is the hope that all member schools will also utilize these guidelines during their regular season as well as district and regional competition.

Good Sportsmanship is a top priority of the Virginia High School League. The manner in which your school is represented is far more important than wins and losses. Good Sportsmanship is about respect – respect for oneself, for teammates and coaches, for your opponents, contest officials and the game itself.
