Thomas,2015-01-21 Leslie Red Parks was pretty surprised to find he was considered attractive enough to be a male escort And once he started and the money came rolling in he found he didn't want to stop For the first time in his life people truly want him and he likes that A lot Kirk Toliver has never thought of himself as desirable either which is why he is single That and he has spent years of his life caring for his ill mother Before she passed away she made him promise he would splurge on something crazy with the money she left him So what's crazier than hiring a male escort But neither expected that one night together could lead to what was missing in both their lives **Do You Trust Me?** B.G. Thomas,2017-02-03 The path to happiness starts with acceptance and sometimes the chance for a bright loving future means letting go of the past All his life Neil Baxter has buried a large part of himself the part that's attracted to other men He married a woman and denied that side of him existed And he plans to keep right on pretending to be straight after his beloved wife has passed away To help him deal with his grief Neil's sister in law convinces him to vacation at a dude ranch There Neil meets Cole Thompson a young gorgeous unabashedly gay wrangler who is unabashedly attracted to Neil And try as he might Neil cannot deny he feels the same way But desire soon becomes something more profound as the two men get to know each other Cole is much more than a sexy cowboy he's kind spiritual and intelligent In fact he's perfect for Neil except he's a man and Neil isn't ready to let go of a lifetime of denial If he cannot find the courage to be true to himself he might let something wonderful slip through his fingers

Thomas,2017-03-01 Bryan Mills has fantasized about cowboys all his life Real cowboys that is He even dresses in what his roommate calls cowboy drag when he visits his favorite bar in the hope of attracting the attentions of a genuine cowboy But all he usually finds are posers and guys his own age Then one night to his surprise Curtis Hansen buys him a beer and Bryan has no doubt this is the real thing Curtis is a rugged gorgeous man who is every bit a cowboy He even owns his own ranch What follows is about the most amazing night of Bryan's young life But can they move beyond a night of incredible sex when Bryan admits to Curtis that the only horse he's ever ridden was a birthday party pony And that he's nothing but a poser himself Maybe just maybe Curtis can find the real cowboy inside Bryan and they can ride off into the sunset together

Krautrock Ulrich Adelt,2016-09-15 Krautrock is a catch all term for the music of various white German rock groups of

the 1970s that blended influences of African American and Anglo American music with the experimental and electronic music of European composers. Groups such as Can, Popol Vuh, Faust and Tangerine Dream arose out of the German student movement of 1968 and connected leftist political activism with experimental rock music and later electronic sounds. Since the 1970s American and British popular genres such as indie, post-rock, techno and hip-hop have drawn heavily on krautrock, ironically reversing a flow of influence. Krautrock originally set out to disrupt. Among other topics, individual chapters of the book focus on the redefinition of German identity in the music of Kraftwerk, Can and Neu; on community and conflict in the music of Amon Düül, Faust and Ton Steine Scherben; on cosmic music and New Age; and on Donna Summer's and David Bowie's connections to Germany. Rather than providing a purely musicological or historical account, Krautrock discusses the music as being constructed through performance and articulated through various forms of expressive culture, including communal living, spirituality and sound.

B.G. Thomas's Greatest Hits

B.G. Thomas, 2015-11-27. Check out four of B.G. Thomas's greatest hits of contemporary gay romance combined into one exclusive volume: *All Alone in a Sea of Romance*. Jude Parks, writer of gay romances, came to the Romantic Voyages convention for business yet becomes the prime suspect in a murder investigation. He also meets Tommy Smith, who makes him wonder if it may be worth holding out for Mr. Forever. However, first Jude has to survive the weekend and clear his name. *The Boy Who Came in from the Cold*: Gabe sees Todd outside his building freezing to death and takes pity on him. Maybe letting a man in from the cold can melt the ice around Gabe's heart, and maybe getting evicted will turn Todd's luck around. *Anything Could Happen*: Austin moves to Kansas City hoping to locate the love of his life and make things right between them. Once there, though, he meets actor Guy Campbell, who complicates the situation while hiding some dark secrets of his own. *Spring Affair*: As they become friends, Sloan finds himself falling in love with Max, who is completely unavailable. As for Max, he is discovering that both his son's coming out and his new friendship with Sloan are stirring up feelings he thought buried long ago. Spring is a time for rebirth; is there any way the two men can find happiness and a new beginning?

Jacques Yver's Winter's Springtime

, 2025-10-01. A prose work interspersed with poetry. *Le Printemps d'Yver* was highly popular in its day, seeing thirty editions between 1572 and 1635. Jacques Yver's stories and their premise—three gentlemen and two noble women who spin five tales in order to distract each other from the horrors of the recent third religious war and to rejoice in the brief 1570 truce of Saint Germain—provide an intriguing and distinctive continuation of this genre evocative of Boccaccio and Marguerite de Navarre. It reveals an author with a profound humanist education whose text, inspired by Bandello, engages the social and political controversies of late sixteenth-century France. Henry Wotton translated *Le Printemps* into early modern English in 1578, removing all references to the original author and title while also mistranslating, deleting and substituting passages. This modern English translation constitutes the first complete translation of the original French text.
