Worker Bones, with a Perry Heart Rachel Worker Perry,2020-10-23 You really are ENOUGH even if others try to make you feel like you don't matter What is your worth When we become aware of our own self worth we begin to transform into who we were always meant to be No excuses simply hard work mindfulness and vulnerability Whose standards are you living by If we live our lives by our own standards goals and expectations then we are free from the judgement and external validation of unhealthy comparisons How are you defined Being able to self validate can improve our quality of life while having the ability to know that our strengths and weakness do not define our value Reimagining our thinking can help us to become a better version of ourselves Trauma anxiety and post traumatic stress can be impacted by complex risk factors based on life experiences Self love and intentional living can help each of us improve our life experience as well as help us advocate for change in our own lives

Fiscal Therapy William G. Gale,2019-03-01 Keeping the economy strong will require addressing two distinct but related problems Steadily rising federal debt makes it harder to grow our economy boost our living standards respond to wars or recessions address social needs and maintain our role as a global leader At the same time we have let critical investments lag and left many people behind even as overall prosperity has grown In Fiscal Therapy William Gale a leading authority on how federal tax and budget policy affects the economy provides a trenchant discussion of the challenges posed by the imbalances between spending and revenue America is facing a gradual decline as debt accumulates and delay raises the costs of action But there is hope fiscal responsibility aligns with both conservative and liberal goals and citizens of all stripes can support the notion of making life better for our children and grandchildren Gale provides a plan to make the economy and nation stronger one that controls entitlement spending but preserves and enhances their anti poverty and social insurance roles increases public investments on human and physical capital and raises and reforms taxes to pay for government services in a fair and efficient way What is needed he argues is to balance today's needs against tomorrow's obligations We face significant fiscal challenges but if we are wise enough to seize our opportunities we can strengthen our economy increase opportunity reduce inequality and build better lives for our children and grandchildren We do not have to kill popular programs or starve government Indeed one main goal of fiscal reform is to maintain the vital functions that government provides We need to act responsibly pay for the government we want and shape that government in ways that serve us best
