This cumulative index to the thirty seven volumes of *The Collected Works of John Dewey 1882-1953* is an invaluable guide to *The Collected Works*. *The Collected Works Contents* incorporates all the tables of contents of Dewey's individual volumes providing a chronological volume by volume overview of every item in *The Early Works*, *The Middle Works* and *The Later Works*. *The Title Index* lists alphabetically by shortened titles and by key words all items in *The Collected Works*. *Articles republished in the collections listed above* are also grouped under the titles of those books. *The Subject Index* which includes all information in the original volume indexes expands that information by adding the authors of introductions to each volume, authors and titles of books Dewey reviewed or introduced, authors of appendix items and relevant details from the source notes.
