Muskin, M.D., Anna L. Dickerman, M.D., 2016-04-13 Psychiatrists and residents are faced with the important but what may feel overwhelming task of refreshing their knowledge of the whole of psychiatric practice typically while remaining engaged in full time clinical activity Psychiatrists will find the logical structure substantive questions and thorough explanations provided by the Study Guide for the Psychiatry Board Examination to be as reassuring as they are educational Although readers are advised to consult a range of resources in preparation for the examination this guide is indispensable It is the first and only guide to reflect the revisions contained in DSM 5 and it will ably assume a primary role in the study and review process The guide is designed for maximum usefulness with specific features and attributes to support knowledge recall and successful examination performance The authors are from a cross section of accomplished students fellows and junior and senior faculty all of whom have faced or will face the board examination and who understand its importance to the profession Topics were determined by the American Board of Psychiatry and Neurology Certification Examination in Psychiatry 2015 Content Blueprint The approximately 400 questions were formulated from information extracted from widely available American Psychiatric Publishing textbooks and accurately reflect the accepted psychiatric knowledge base Each multiple choice question is followed by an explanation of why the correct answer is correct and the others are incorrect and every question and explanation is referenced directing the reader to the primary material for more in depth learning and study The volume was designed as a study guide for both the initial psychiatry board examination and the recertification examination The process of working through the study guide will allow the reader to identify areas of strength and weakness initiate further study and test and retest knowledge ultimately preparing for the examination's rigors Only the Study Guide for the Psychiatry Board Examination offers support for the new DSM 5 compatible examination and that alone renders it essential Kaplan and Sadock's Study Guide and Self-examination Review in Psychiatry Benjamin J. Sadock, Virginia A. Sadock, Ze'ev Levin, 2007 This study guide is an excellent aid in

preparing for boards and other psychiatry exams and in reinforcing a students knowledge It offers chapter overviews of Synopsis Tenth Edition and more than 1 600 multiple choice questions with discussions of correct and incorrect answers

If God is For Us: Study Guide Keith Thomas,2016-02-12 Like soldiers walking into a minefield there are some things in life that are unseen but deadly Just because you may be unaware of something dangerous it doesn t mean it cannot affect you There is an old saying what you don t know can t hurt you Although it is true that knowledge can bring with it pain it is much better to be forewarned about danger than to ignore it In Keith s latest study If God is For Us he leads us through the scriptures that help us see that God is for us and what this means as far as our Christian faith and walk We have no need to fear when we are assured that God always has is and always will provide and protect us Keith s study brings freedom so that Christians can focus on what God has placed them here for instead of worrying about spiritual attacks You will understand the enemy s schemes and learn to walk in your victory *Study Guide for the Generalist Hospice and Palliative Nurse*
