Jed McKenna's Theory of Everything Jed McKenna, 2013-04 We are programmed from birth to believe that our existence is an unsolvable riddle but if we make an honest effort we discover that mystery itself is the riddle Not just what is the big mystery but why is there any mystery at all And what if there isn't What if the *Mysterium Tremendum* is just an internal belief without any external counterpart What if the answers to life's biggest questions were all hidden in plain sight If man will strike strike through the mask How can the prisoner reach outside except by thrusting through the wall Herman Melville Those interested in striking through the mask will welcome a theory of everything that makes sense doesn't rely on religious or scientific chicanery and can be easily understood And those familiar with Jed McKenna and the Enlightenment Trilogy will know that it's not just a theory

Book of Love Humaira ~ Amy Adams, 2012-10 This collection of poems is the fruit of the author's surrender to life to unconditional love The words arose from the ashes of despair offering themselves as a healing salve for the pain that can accompany enormous change Pure intentions fueled the pen and the power of the words is transformative Allow yourself to awaken to the truth of who you are and to the joy that is you by dissolving into the message this book contains We are all divinely human and humanly divine The poetry contained within these pages invites you to claim both aspects of yourself to say YES to Aliveness and to shine your light to the world and beyond

Spiritual Warfare Jed McKenna, 2009-11 Guns and bombs are children's toys A true war wages and you're invited IT'S AN INVITATION you may not be able to accept if you want to or decline if you don't It's an invitation to fight in a war like no other a war where loss is counted as gain surrender as victory and where the enemy you must face an enemy of unimaginable superiority is yourself In *Spiritual Warfare* the metaphor of warfare rarely appears Instead we are presented with the living reality of a very normal woman a wife and mother with a demanding career and high stress lifestyle and we see what happens when she receives an invitation that try as she might she can't refuse And we meet another woman a woman who accepted the invitation and fought and won In the closing chapters of this book we attend her memorial service as Jed delivers her eulogy *Spiritual Warfare* issues a damning and irrefutable indictment of its own audience and genre putting spirituality and religion themselves on trial A terrible crime is being committed against humanity a crime of oppression and subjugation far beyond Orwell's 1984 We are the victims of this crime but we are also its perpetrators Our motive is fear our sin is ignorance and the chain in which we enslave ourselves is belief Belief means not wanting to know what is true Friedrich Nietzsche *Spiritual Warfare* is a book for those who do want to know people who want to escape from their dark asylum and experience a direct and authentic spirituality people for whom it's time to look to think to know and at long last to put away childish things
