You received an email from your pen friend, Ruby who is worried about you.

Hi,

You said you were experiencing water cuts at your housing area. However, you did not tell me how it went. What happened and did it last very long? Is everything okay now?

Write back when you can.

Now write an email to your pen friend in about 80 words. Write your answer below.

To:	rubylee.0101@fastmail.com
Subject:	Water woes
(Suggested answer)	
Hello Ruby,	
Thanks for your concern. It was frustrating because last week was the third time it happened in my area within two months! The latest one lasted for three days. The water department reported that it was caused by toxic chemicals released by a factory into the river. We were not prepared at all for the sudden cut. So, my parents and I had to get water from the public tap. It was utterly exhausting. Thankfully, everything is back to normal now.
