How it all Began (Routledge Revivals) W. W. Rostow, 2014-03-18 First published in 1975 this book traces the origins of our modern economy showing the routes by which nations have either achieved wealth or have been impoverished W W Rostow brings together issues of public policy international trade and the world of science and technology arguing that conventional economic thought has failed to relate scientific innovation to the economic process Chapters consider the politics of modernization the Commercial Revolution and the development of the world economy between 1783 and 1820

Gender and Violence in British India R. McLain, 2014-08-20 In British India the years during and following World War I saw imperial unity deteriorate into a bitter dispute over native effeminacy and India s postwar fitness for self rule This study demonstrates that increasingly ferocious dispute culminated in the actual physical violence of the Amritsar Massacre of 1919

The Diffusion of Classical Art in Antiquity John Boardman, 2023-08-15 From one of the world s leading authorities on ancient Greek art a groundbreaking account of how Greek images were understood and used by other ancient peoples from Britain to China In this book acclaimed archaeologist and art historian John Boardman explores Greek art as a foreign art transmitted to the non Greeks of antiquity peoples who weren t necessarily able to judge the meaning of Greek art and who may have regarded the Greeks themselves with great hostility Boardman examines how and why the arts of the classical world traveled and to what effect from Britain to China from roughly the eighth century BCE to the early centuries CE In some places such as Italy Greek images were overwhelmingly successful In Egypt the Celtic world the eastern steppes and other regions with strong local traditions they were never effectively assimilated And in cultures where there was a subtler blend of influences notably in the Buddhist east classical images served as a catalyst to the generation of new styles Along the way Boardman demonstrates that looking at Greek art from the outside provides a wealth of new insights into Greek art itself and he raises important questions about how images in general are copied and reinterpreted **Exploring the**
