Danver, 2009-11-12 This is the first comprehensive encyclopedia on the history of the vast and varied ways human beings have used the world's waterways for business protection and recreation Seas and Waterways of the World An Encyclopedia of History Uses and Issues offers a comprehensive introduction to humanity's historical reliance on the world's seas and waterways and how that reliance continues to evolve Over the course of two volumes this extraordinary resource describes the world's major nautical features the wide variety of uses for those waterways and a number of essential issues arising from water borne commerce The encyclopedia marks the emergence of the aquarium cruise energy fishing insurance mining trade transportation recreation and sport industries and includes entries on harbors ports and coastal development that play a part in the economics of commercial water use Also included is coverage of a number of significant themes such as the rise and fall of the Erie Canal as the gateway to the Midwest and the declining popularity of the Panama Canal *The Changing Political South* Charles S. Bullock, III, Susan A. MacManus, Jeremy D. Mayer, Mark J. Rozell, 2024 The phenomenal growth of minority populations in the South particularly Latinos and Asians is quickly transforming the region's politics Some argue that demography is destiny and yet the analyses presented in *The Changing Political South* demonstrate little such certainty about the future competitiveness of the two major parties in the South This volume substantiates the strong and persistent Democratic leanings of Black voters and a majority of women yet it finds that the rising minority populations' votes are increasingly up for grabs by the two major parties How the two parties fare in the future of Southern politics will be driven largely by their abilities to reach these new voters *Florida's Dark Chapters* Michael G. Hall, 2024-08-15 Anyone who has ever traveled to Florida immediately assumes they've got the state figured out It usually involves the common tropes we see splashed across news and social media Disney Miami alligators heat retirees and weird people As a result very few people try to dig any deeper This book explores the darkest parts of Florida's past These stories told out in sequential order and broken down by theme contain everything that has come to make up the Sunshine State from the surprising to the weird to the horrifying and

in some cases inspiring Topics covered include Florida in the Age of Exploration pirates Spanish colonialism the Seminole Wars slavery and race relations during the Civil War Prohibition segregation disco and drugs serial killers economic ruin urbanism and Florida in the age of DeSantis **Computerworld** ,1998-03-09 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network **The Unofficial Guide to Walt Disney World with Kids 2015** Bob Sehlinger,Liliane J.
