Spring 2015 Istep Scoring Guide:

A Guide to Leading and Managing Indiana School Facilities Tom Dykiel, Charles Hobbs, William E. Roberson, 2009-08
When school buildings are aging a decision must be made as to whether to continue to maintain the existing building renovate building or build new Very seldom is extending the existing buildings life over building a new building If renovation costs exceed 50% of the cost of new construction it is better to build instead of renovating The taxpayers in your community will have much to say on whether to renovate or build new Much emphasis should be given to taxpayer input before the school board makes a final decision School administrators are responsible to the community for maintaining school buildings and they owe an explanation to the community of what has been done to protect existing school buildings This book is developed to help aspiring teachers who want to become principals business managers or superintendents that existing buildings need to be properly maintained and functional and can continue to serve the public for many years to come

Elias, 2023-09-18 Dorothy Word an African American woman dreaming of a hopeful future for her people advocated for African American scientists athletes inventors and others often not recognized for their contributions She writes not as noted scholar politician or journalist but as a layperson from the back row of public visibility As a retired teacher in several elementary schools she

continued to lobby for children and their families She was an activist passionately pursuing the dream for equity and justice for all Her voice needs to be heard and Jacob offers a perceptive framework for an intercultural understanding of her message Dorothy first became acquainted with Jacob Elias and his wife Lillian in 2001 when they were pastors of her congregation Parkview Mennonite Church Kokomo Indiana Following her retirement Dorothy wrote newspaper columns for the Kokomo Tribune Having served as her pastor for four years and ten years later exercising power of attorney for her as she receded into dementia Jacob gathered forty one of her articles into this volume *Digest of Acts* Indiana. My Students Write Like They Text* Jennifer French,2018-08-16 IMHO LOL OIC OMG If you ve recently graded middle school or high school writing chances are you ve read terms like these or my favorite wtf idk which also happened to be an answer on a student s quiz As a middle school English teacher I became more and more perplexed to see students using texting talk on their homework and classroom writing assignments not to mention answers on the writing portion of the state standardized test My students were not differentiating appropriate writing contexts The answers written on the unit test were written the same way that they invited their friends to hang Starbucks How do we as educators and parents allow students to creatively express themselves support them academically and prepare them for a professional world built on written and verbal communication Herein lies this text Hopefully it will alleviate the concerns of those who are worried about the disintegration of the English language and help those ISO in search of strategies to support textspeaking learners **Transforming Teacher Preparation Across Nations** Gerald LeTendre,Ira Lit,Rachel A.
