The Cult of the Goddess Pattini Gananath Obeyesekere, 1987-01-01 Pattini goddess virgin wife and mother folk deity of Sinhala Buddhists and Jains and assimilated goddess of the Hindu pantheon has been worshiped in Sri Lanka and South India for fifteen hundred years or more as she still is today This long awaited book is the culmination of Gananath Obeyesekere's comprehensive study of the Pattini cult and its historical sociological and psychoanalytical role in the culture of South Asia A well known anthropologist and a native of Sri Lanka Obeyesekere displays his impeccable scholarship and a stunning range of theoretical perspectives in this work the most detailed analysis of a single religious complex in South Asian ethnography and possibly in all of anthropology Since 1955 Obeyesekere has observed and participated in modern performances of the rituals of worship healing and propitiation in the Pattini cult particularly the postharvest ritual known as the gammaduva He presents detailed texts of the gammaduva placing them in their historical and mythic traditions Using the texts he formulates a cultural analysis of the Buddhist pantheon and a critique of empiricist notions of South Asian historiography Obeyesekere shows that some seemingly historical figures of South India and Sri Lanka are mythic characters and that their historical significance can best be understood by an anthropological analysis of myth rather than through a reification of myth in history The concurrent Hindu worship of Pattini with its myths and rituals is described in detail Obeyesekere documents the Sanskritization of Pattini the changing physical structures of the goddess's shrines from the 1930s to the present the assumption by Brahman priests of ritual functions formerly carried out by folk priest and the sociocultural causes of these changes He traces too the origins and diffusion of the cult throughout its entire history as well as its survival today Of psychological interest is the problematic status of Pattini as virgin wife and mother and her relationship with her god husband Palanga and his courtesan Madevi Obeyesekere discusses the psychodynamics of this relationship in detail and explains its role in Hindu Buddhist socialization and family structure Further he uses this analysis to account for local variations in the performance and structure of the ritual The ritual of the killing and resurrection of Pattini's husband and her role as mater dolorosa will interest scholars of comparative religion

drive out the ill effects of Kali from society Maharaja Pariksit perceived the influence of Kali within his kingdom and initiated a tour to defeat him While touring he heard the glories of his great relatives the Pandavas During his tour Dharma who was wandering in the form of a bull questioned the earth in the form of a cow about her miserable condition The earth replied that her misery was caused by her separation from Krsna s presence and by an increase of Kali s influence due to Krsna s absence Maharaja Pariksit then arrived and listened to their conversation Kali continued because no ksatriya king was present to suppress its irreligious activities Such a king rules according to the scriptures and never allows offenseless citizens to be disturbed by irreligious offenders Sometimes to prove a point as the Lord did when He put Bhumi and Dharma in trouble to prove that Maharaja Pariksit was the ideal executive head the Lord uses His devotees and even causes them distress Maharaja Pariksit challenged and threatened the low class man dressed as a king who was beating the cow and the bull He then questioned and consoled the cow and the bull After hearing the bull s response Maharaja Pariksit recognized him as the personality of religion and began to reply to him As he was preparing to kill Kali Kali surrendered Although Maharaja Pariksit spared Kali s life he banished him Kali requested a place where he could fearlessly live and Maharaja Pariksit gave him permission to dwell in places with which brahmanas and sannyasi s should never come in contact In the end Maharaja Pariksit re-established religion and began his reign in his kingdom Maharaja Pariksit insulted the sage Samika Rsi by placing a dead snake around the meditating sage s neck Samika Rsi s son Srngi cursed Maharaja Pariksit to die in seven days for the insult Samika Rsi lamented when he heard what his son had done and prayed to the Supreme Lord to forgive his son for his foolishness Maharaja Pariksit fasted and sat down at the bank of the Ganges to prepare for his death After hearing of the great king s plight many rsis arrived and Maharaja Pariksit welcomed them The sages glorified the king s decision and Maharaja Pariksit inquired from them about the duty of one who is about to die After Maharaja Pariksit made his inquiry the exalted sage Sukadeva Goswami approached the assembly Maharaja Pariksit offered him respect glorified him and then inquired about the duty of one about to die **The Spiritual Heritage of India** Swami

Prabhavananda,2019-04-09 This book first published in 1962 is an analysis of the history of the philosophy of a country that has never distinguished philosophy from religion Indian philosophy is not merely metaphysical speculation but has its foundation in immediate perception This insistence upon immediate perception rather than abstract reasoning is what distinguishes the Indian philosophy of religion from philosophy as Western nations know it *Gay Tantra 2nd edition*

hardcover William Schindler,2017-06-12 We gay folk who inhabit bodies of the type we naturally desire require a sex positive spiritual practice that celebrates and utilizes our gay being instead of opposing it We need a spiritual practice that teaches us how to use our senses instead of merely shutting them off or repressing them We need a practice that empowers us to integrate all the rejected aspects of self to form a strong healthy gay identity which confers a spiritual advantage in deep spiritual practice We need a spiritual practice that recognizes that gender and gender identity are fluid that we all contain

elements of the masculine and feminine We need a spiritual practice that recognizes not only that same sex love is possible but that our love can powerfully energize a deep quest for Self awareness and enlightenment We need to realize that any feeling of shame or unworthiness connected to our gay being shackles our spirit and blocks us from the full realization of God
dess within for the Divine Being is gay too **Journey of Awakening** Ram Dass, 2025-05-13 Find the practice that s right for you with this exploration of the many paths of meditation from mantra prayer singing visualizations and just sitting to movement meditations such as tai chi Everyone has experienced a moment of pure awareness A moment without thinking I am aware or that is a tree Such moments bring a sense of rightness of clarity of being at one Such moments are the essence of meditation Ram Dass Ram Dass is an American psychologist and spiritual teacher who has studied and practiced meditation for many years Here he shares his understanding and suggests how you can find methods suitable for you He illuminates the stages and benefits of meditative practice and provides wise and often humorous advice on overcoming difficulties along the way
