

Epic Tip Sheet: Ambulatory Handoff Smart Text

Purpose: The handoff smart text is a tool available in EPIC to assist staff in documenting information about the patient that will be helpful in patient movement or transition to next level of care.

Step #1: Click On Rooming tab within your patient's chart and then Click on Sending Handoff, complete in this field the nurse you are calling to complete your handoff. This would need to be done first if you want it to pull into your handoff note OR you could "refresh" your handoff note before signing.

The screenshot shows the Epic Rooming tab with various sub-tabs. The 'Sending Handoff' option is highlighted with a red box and a red arrow. Below this, a 'Sending Handoff' dialog box is shown with a red box around the 'Report Given To' field, which contains the text 'Fill in nurses name you are giving report to'.

Step #2: Open a new progress note

Step #3: Click on Insert SmartText box at the top of the progress note

The screenshot shows the 'My Note Progress Notes' screen. The 'Insert SmartText' button is highlighted with a red arrow. The screen also shows a toolbar with various icons for editing and saving notes.
