Theory and Practice of Computation Shin-ya Nishizaki, Masayuki Numao, Jaime Caro, Merlin Teodosia Suarez, 2012-04-27 Computation should be a good blend of theory and practice and researchers in the field should create algorithms to address real world problems putting equal weight on analysis and implementation Experimentation and simulation can be viewed as yielding to refined theories or improved applications The Workshop on Computation Theory and Practice WCTP 2011 was the first workshop organized jointly by the Tokyo Institute of Technology the Institute of Scientific and Industrial Research Osaka University the University of the Philippines Diliman and De La Salle University Manila devoted to theoretical and practical approaches to computation The aim of the workshop was to present the latest developments by theoreticians and practitioners in academe and industry working to address computational problems that can directly impact the way we live in society This book comprises the refereed proceedings of WCTP 2011 held in Quezon City the Philippines in September 2011 The 16 carefully reviewed and revised full papers presented here deal with biologically inspired computational modeling programming language theory advanced studies in networking and empathic computing

Survey of English Dialects Michael V. Barry, 2013-10-08 First Published in 1994 The Survey of English Dialects SED is the only detailed nation wide dialect survey which has ever been conducted in England The SED is a unique repository of data on the traditional dialects of England in the mid twentieth century This remarkable record is a valuable resource for scholars in the fields of British English dialectology sociolinguistics and English historical linguistics The SED fieldwork was undertaken in predominantly rural communities in England in the middle of the twentieth century at a time when social domestic and working life was undergoing very significant changes The SED is thus a record of speech which reflects a society different in many ways from today and as such affords the possibility of comparison which is instructive to those engaged in all types of study of linguistics today International Journal of Environment, Workplace and Employment, 2007

The Politics of Post-War Demobilisation and Reintegration in Nigeria Olukunle Ojeleye, 2016-02-24 With an increasing international interest in post civil war demobilisation and reintegration especially in Africa Ojeleye presents a well timed body of knowledge on the Nigerian civil war Moreover this book provides an in depth study of the modalities and processes of the demobilisation and reintegration exercises carried out at the end of the Nigerian civil war and assesses their implications for national politics in the West African nation The author identifies the political socio economic and cultural background to the Nigerian civil war and discusses the central theme of demobilisation disarmament and reintegration DDR in Nigeria against the backdrop of the policy of the country s post war reconstruction reconciliation and rehabilitation exercise the 3Rs Though the central theme is Nigeria it compares the demobilisation and reintegration exercise in Nigeria with other attempts in Sub Sahara Africa by highlighting the important deviations and drawing some conclusions on the Nigerian experience It also touches on issues relating to international involvement and intervention in civil wars and the
