The Cross of Christ in African American Christian Religious Experience Demetrius K. Williams, 2023-10-03 In *The Cross of Christ in African American Christian Religious Experience* Piety Politics and Protest Demetrius K Williams examines and explores the ideational importance and rhetorical function of cross language and terminology in Black religious experience through an ideological lens Williams argues that for the first time in Christian history the European nation of Portugal under the guidance of Prince Henry used the theology of the cross to justify and sustain an exclusive trade of Sub Saharan African peoples Claiming that Jesus died on the cross only to save lost souls provided a convincing rationale for Henry s exploratory voyages of discovery to West African to exclusively enslave Black bodies With the confirmation of Catholic Popes and the competition of other European nations this same rationale would inspire empire building colonization and slave trading justified on their newly constructed ideological narrative of compassionate evangelism to save lost souls Over time with massive conversions to the faith of their enslavers Black people s Christian religious experiences would articulate a response to the world that held them in thrall That response would be articulated most consistently and effectively through their understanding of the cross of Christ Williams affirms Howard Thurman s claim that by some amazing but vastly creative spiritual insight the slave undertook the redemption of a religion that the master had profaned in his midst

devotional love and noble aspirations of lower manas towards his higher counterpart Helena Petrovna

Blavatsky, 2019-05-30

1 The human manas is pure and impure divided on earth united in heaven The immortal Manas or Higher Ego is an emanation from the Supreme Spirit Its reflection on earth fashioned by the creative and intelligent forces in nature is but a temporary vehicle of its divine parent on earth The Higher Ego at incarnation shoots out a Ray the lower ego or manas That portion of the Lower Manas which is one with the Higher is termed Antahkarana On it are impressed all good and noble aspirations and in it are the upward energies of the Lower Manas The whole fate of an incarnation depends on whether this pure essence Antahkarana can restrain Kama Manas or not It is the only salvation Break this and you become an animal Ahamkara is the perception of I or the sense of one's personal individuality typified by the term Egotism When Manas or Ahamkara thins out the guna rope into a single thread that of Sattva or Purity it becomes one with the unevolved evolver and wins immortality or eternal conscious existence Shankaracharya renders Sattva or Understanding as Antahkarana refined by sacrifices and other sanctifying operations

2 Esoteric overview of Manas Its potency functions and potential When the lower manas begins to bring forth the green clusters of the philosophical vine for the Husbandman the Father or Higher Ego the merging process with its higher counterpart also begins But the danger is not quite over for the Antahkarana is not yet destroyed Let us imagine a bright lamp casting its light upon the wall Let the lamp represent the divine Ego and the light thrown on the wall the lower Manas and let the wall stand for the body The atmosphere which transmits the ray from the lamp to the wall represents the Antahkarana In an Eastern parable the divine Ego is likened to the Master who sends out his labourers to till the ground and gather in the harvest and who is content to keep the field so long as it can yield even the smallest return But when the ground becomes sterile not only is it abandoned but the labourer also the lower Manas perishes When Esoteric Teachings allude to the second death they refer to the terrible possibility of the death of the Astral Soul that is its severance from the Higher Ego during a person's lifetime Only Occultists of the White Lodge by explaining the circumstances that can lead a soul to its demise can protect mankind from falling into such a dreadful pitfall If the Antahkarana is destroyed before the lower had an opportunity of aligning with the Higher Manas the selfish man ends up living as a soulless creature Brain is the organ of Consciousness but only on the objective plane of the Lower Manas The Seven Harmonies are the Seven Cavities of the brain Brain perception is located in the aura of the Pineal Gland the chief organ of spirituality in the brain while the Pineal Gland itself when illuminated corresponds with Divine Thought The former is associated with the spiritual fiery emanation that proceeds from the blood Pure psychic vision is caused by the molecular motion of the Pituitary Body which is directly connected with the optic nerve and thus affects the sight and gives rise to hallucinations Its motion may cause flashes of light seen within the head similar to those that may be obtained on pressing the eyeballs and so causing molecular motion in the optic nerve The seven steps of Antahkarana correspond with the seven Lokas i.e. are material places or spheres however of a spiritual character

3 Higher Manas is the Voice of Wisdom crying in the

wilderness of matter The Voice urges Antahkarana his lower counterpart to purify itself inwardly and to fear no one and nought save the tribunal of his own conscience Personality being the illusion of separateness is the root cause of all selfishness and evil in the world It has to be conquered and crushed before the human mind is united with its divine parent Loss of mind is due to the paralysis of the higher functions of Kama Manas the physical mind and in cases of incurable insanity to the destruction of Antahkarana itself i e the severance of the lower from the Higher Ego during a person's lifetime thus preventing their reunion When one falls into a love of self and love of the world with all its pleasures losing the divine love of God and of the neighbour he falls from the shadows of life and fear of death to real death The higher principles which constituted the essential elements of his humanity being withdrawn he now lives on the lower plane of his faculties Manas or Antahkarana being the organ of self consciousness or personality is material hence mortal At death when the ray from Higher Manas withdraws the personality no matter how illustrious it was perishes along with the physical body Vanitas vanitatum omnia vanitas At death the higher triad drawn by its affinity to those triads it loved most with Manas in its highest aspect of self consciousness is disconnected from Antahkarana the path of communication between soul and body Then the energies and tendencies of Antahkarana become spiritual experiences in the Devachanic period between incarnations as they were during life on earth 4 Manas is the Jewel of the Universe In order to understand that which follows note that the upper Indigo Manas is connected with the lower Green Manas by a thin line which binds the two together This is the Antahkarana a path or bridge of communication which serves as a link between the personal being whose physical brain is under the sway of the animal mind and the reincarnating Individuality or the Spiritual Ego the Divine Man Look at the Drawing again Observe the divine Ego tending with its point upwards towards Buddhi and the human ego gravitating downwards immersed in matter and connected with its higher divine parent only by that thin line of Antahkarana Four distinct features of Antahkarana and an all important difference between exoteric and esoteric teaching 1 In dreams the personality is only half awake therefore Antahkarana is said to be drunk or insane during sleep 2 Let the student view the lower Manas as the personal ego during the waking state and as Antahkarana only during those moments when it aspires towards its higher counterpart and thus becomes the medium of communication between the two 3 As when a limb or physical organ is left in disuse it becomes weak and finally atrophies so also is it with any mental faculty hence the atrophy of Antahkarana permits those shamelessly materialistic and depraved minds to degrade themselves even further 4 As long as the personal I Ahamkara or selfishness is not completely crushed out and the lower mind not as yet merged with the Higher Buddhi Manas it stands to reason that to destroy Antahkarana is like destroying a bridge over an impassable chasm the traveller can never reach the goal on the other shore Exoteric Vedanta teaches that so long as the lower manas clings through Antahkarana to Buddhi Manas it is impossible for it to acquire true spiritual Wisdom and that this can only be attained by seeking to resonate with Atman the Universal Soul and in fact it is by circumventing the Higher Manas altogether that one reaches Raja Yoga We say that it is not so No

single rung of the ladder leading to Inner Knowledge can be skipped No personality can ever reach or bring itself into communication with Atman except through Buddhi Manas If we destroy Antahkarana before the personal is absolutely under the control and guidance of the impersonal Ego we risk to be permanently disconnected from It unless we hasten to re establish the communication by a supreme and final effort It is only when we are indissolubly linked with the essence of the Divine Self within that we have to destroy Antahkarana Expelled forever from the Aegis of their Divine Self those who had hitherto sat alone in haughty seclusion and bare selfishness are immediately reincarnated only in a lower and still more abject creatures human beings only in form doomed to endless karmic torments and punishment before final annihilation 5 When the mind is finally freed from its finite consciousness it merges with and becomes one with the Infinite *The Forever Man* James Colson,2015-02-20 In ages past the Templar Knights were the only true force for good battling evil in the hope that man would move into a time of enlightenment Frustrated that they were making the same mistakes generation after generation a plan was devised Tapping into a base magic that was used during the time of creation the Templars extended the life of one of their order to become their teacher and guide their Forever Man This knight s name was Lecturo Always well protected evil could not touch him and the power of Light started to make great advancements over evil If the darkness could not kill him they did the next best thing During the Christmas Festival they placed a powerful drug in his wine When a toast was called for to honor the birth of Christ Lecturo s mind was wiped of memories What good was a teacher that could not even remember his own name Generations past before Lecturo finally started to regain some of his memories and remember who and what he was Once again the Templar Teacher Lecturo formed a new team of good hearts and pure souls to again battle evil wherever it tried to change the course of man away from the path of the Light Destiny of Souls Carl Bayley,2025-03-28 Susan and her husband Ben strive to rebuild their lives following their life and death battle with the diabolical Lord Mortimer But the couple soon realise the threat to mankind s future is far from over as the fiendish Madam Scorpion continues Mortimer s plans to build an army of soulless ready to enslave the world at his command As Susan draws inspiration from the past we meet Henry VIII s secret seventh wife find out what really happened at Stonehenge cross the Atlantic to the blue haven with Sigrid the Shield maiden s Viking f lag and finally learn the horrifying truth about Mortimer s wartime collaboration with the Nazis In the present Susan and Ben s children are embroiled in the deepening global crisis as the empty generation poses an ever growing danger But what soul inhabits their daughter Is she truly evil does she deserve to be exterminated Or have they got the wrong girl While Susan makes a last attempt to save humanity Ben races to complete a desperate mission of his own Driven apart each must hope the other will succeed The Living Age ,1899
