Come Sundown: Chapter 1 Nora Roberts, 2017-01-10

Read chapter one of Nora Roberts's *Come Sundown*. The Bodine ranch and resort in western Montana is a family business, an idyllic spot for vacationers. A little over thirty thousand acres and home to four generations, it's kept running by Bodine Longbow with the help of a large staff, including new hire Callen Skinner. There was another member of the family once, Bodine's aunt Alice, who ran off before Bodine was born. She never returned, and the Longbows don't talk about her much. The younger ones who never met her quietly presume she's dead. But she isn't. She is not far away, part of a new family, one she never chose, and her mind has been shattered. When a bartender leaves the resort late one night and Bo and Cal discover her battered body in the snow, it's the first sign that danger lurks in the mountains that surround them. The police suspect Cal, but Bo finds herself trusting him, and turning to him as another woman is murdered, and the Longbows are stunned by Alice's sudden reappearance. The twisted story she has to tell about the past and the threat that follows in her wake will test the bonds of this strong family and thrust Bodine into a darkness she could never have imagined.

Second Nature/one

Summer Nora Roberts, 2015-11-23. *Second Nature*. For Celebrity magazine reporter Lee Radcliffe tracking down the world famous, notoriously private horror story writer Hunter Brown had become a personal quest. Her carefully planned ambush finally paid off at a small writer's conference in Flagstaff, Arizona. But when the master of the supernatural turned out to be a dark-eyed master of seduction, Lee knew that it would take more than just good interviewing skills to bet her an exclusive. Digging into private lives was her business, but now Hunter Brown had turned the tables. With one smouldering kiss, he had exacted his price. One Summer. Bryan Mitchell was America's greatest celebrity photographer. Shade Wilder was one of the world's most respected photojournalists. They were working together, traveling across the country, recording two views of one American summer. They were complete opposites. And yet they each felt a passion that was destined to draw them together. It took the eye of the camera to show them how close they could become. And it took their mounting desire to lower their defences and allow them to revel in the fulfilment of love.
