Her recipes preserve an important tradition and show how that tradition is alive and evolving today. Jenn Louis chef owner Ray Portland Oregon and author of *The Book of Greens* Paster taps into the bright briny and full flavored potential of old world food preservation while expanding our understanding of what it means to eat Jewish. Leah Koenig author of *Modern Jewish Cooking* *Southern Agriculturist*, 1913 *South Toward Home* Julia Reed, 2018-07-31 In considering the pleasures and absurdities of her native culture Julia Reed quotes another Southern writer Willie Morris who said It's the juxtapositions that get you down here. These juxtapositions are for Julia the soul of the South and in her warmhearted and funny new book *South Toward Home* she chronicles her adventures through the highs and the lows of Southern life taking us everywhere from dive bars and the Delta Hot Tamale Festival to an impromptu shindig on a Mississippi River sandbar and a coveted seat on a Mardi Gras float. She writes about the region's music and food its pesky critters and prodigious drinking habits its inhabitants' penchant for making their own fun and crucially their gift for laughing at themselves. With her distinctive voice and knowing eye Julia also provides her take on the South's more embarrassing characteristics from the politics of lust and the persistence of dry counties to the seemingly bottomless propensity for committing a whole lot of craziness in the name of the Lord. No matter what she writes My fellow
