Minyard,2024-04-30 This book took some great thought to write but And It Just Had to Be is paramount to everything that Christianity stands for The work of Jesus Christ His death and resurrection is crucial to our faith The key factor is the oneness of Christ in us This book highlights the factor of what Christ really did for us to appease the wrath of God The choice is freewill The truth is we have been translated from darkness to light We are all sinners saved by the grace of God but we have to accept this gift to have eternal life However if you reject this gift then the wrath of God is on you my friend There were elements that were very personal that happened during my rebellious years in unbelief and it happens to many people It s sad but it does right Trust me learn from my mistakes please repent really quick You don t know what the price is I talk about surrender being the first step to accepting Jesus as Lord and Savior Salvation is a onetime event if it s genuine but throughout your life it s an everyday deal the real one Sometimes we ride the fence and think everything is A OK but it s not Please have intimacy with God He loves us very much The Christian life ends when we re at the Judgment Seat of Christ I hope no one appears at the Great White Throne Judgment I covered many topics in this book to illustrate biblical concepts for you to grasp the truth This is very serious stuff in the eyes of God The purpose of this book is for you to make the right choice repent or not Remember God believes in you You might be in that rebellious life but just surrender back to God *His Stubbornship: Prime Minister Wang Anshi (1021--1086), Reformer and Poet* Jonathan O. Pease,2021-10-05 After piloting an emperor the age of a college student through China s most drastic government reforms before the modern era Wang Anshi retreated to his Halfway Hill villa at Nanjing where in late middle age he became one of the Northern Song dynasty s three or four most innovative poets He redirected the craft of composing high stakes policy papers into lighter than air evocations of clear eyed grief sensuous Buddhism and intricate reactions to rain on the river or donkey riding up Bell Mountain Acrimony over his redesigned government which he lived just long enough to see totally dismantled remains relevant to Chinese politics and economics Published during his thousand year jubilee this first full English biography since 1937 draws on Wang s essays poems and his vivid seldom explored throne room diary Sixteen Years in Captivity James Optic,2021-11-19 I never understood just how important a human soul could be to God The soul is the only thing we actually own and the only place I belonged I was raised by a single mother and she loved God with all her heart So many times we would fall asleep to the sound of gunfire Out of this chaos God chose me I fought against Him and His will for so long Every time I knocked down by life and Satan God and all His love would stand me up again stronger than before I sought acceptance through friendship and many of those friendship proved dangerous and destructive to my soul I

went on to fight in the Iraq war and for a country that never wanted to accept me I saw the horrors of war and then returned to the never ending horrors of gang violence drugs and poverty I knew something had to change and it had to start with me giving God my soul and my love Not every preacher speaks the will of God Each of us has the power of the Spirit to reach out and help our fellow man We must look outside of ourselves and our community and help all our brothers and sisters in need My hope is that this book serves as a testament to the mercy and love of God and the power of Jesus and the Holy Spirit All of us as believers have access to the gifts God has promised to us Let us use them to bring glory to the name and power of God Amen
