Faust: Part Two J. W. von Goethe, 2008-05-08 Loosely connected with Part One and the German legend of Faust Part Two is a dramatic epic rather than a strictly constructed drama It is conceived as an act of homage to classical Greek culture and inspired above all by the world of story telling and myth at the heart of the Greek tradition as well as owing some of its material to the Arabian Nights tales The restless and ruthless hero advised by his cynical demon companion Mephistopheles visits classical Greece in search of the beautiful Helen of Troy Returning to modern times he seeks to crown his career by gaining control of the elements and at his death is carried up into the unknown regions still in pursuit of the Eternal Feminine David Luke's translation of Part One won the European Poetry Translation Prize Here he again imitates the varied verse forms of the original and provides a highly readable and actable translation supported by an introduction full notes and an index of classical mythology ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Hell of a Prophecy McKayla Schutt, 2020-07-08 The daughters of Hades Zeus and Poseidon are linked in more than one way You'd think the daughter of Hades would have hellfire hair and a wicked temper well you'd be right Avalon's lived a sheltered life because her father thinks the world is out to get her He may be right because her new freedom brings furies to her door a bounty on her head and demi god with horns Actually the sexy demi god is the only bright side to her discord She's swearing to anyone who will listen that she won't be the cause of destruction but only Balthazar listens Balthazar the son of Pan but they have very little in common With a short temper and skills at fighting he's perfect to protect Avalon from the others Falling for Hades only daughter wasn't the best plan he could've made He believes she doesn't want to harm anyone but the power that thrives in her blood works against her The swords are sharpened and fingers itch for a fight as one god threatens Avalon's life Will monsters be unleashed or is Avalon not the daughter the prophecy spoke of

Journeys to the Underworld and Heavenly Realm in Ancient and Medieval Literature John C. Stephens, 2019-02-28 Concepts of heaven and hell are among the oldest most widespread religious beliefs in history In Western literature they are frequently embedded in stories of underworld explorations and celestial journeys stories examining the nature of the universe life on earth and the existence of the gods The author analyzes tales of wonder in both ancient and medieval European literature Other worldly narratives appeared in literary contexts in the ancient world including mythology poetry and philosophical writings In medieval times they remained a popular form of literary expression These stories are primarily religious in nature describing fantastic worlds filled with miracles and supernatural beings

The Biblical Tour of Hell Matthew Ryan Hauge, 2013-08-15 It is difficult to underestimate the significance of the story of the Rich Man and Lazarus in Luke 16 19 31 within the biblical tradition Although hell occupies a prominent position in popular Christian rhetoric today it plays a relatively minor role in the Christian canon The most important biblical texts that explicitly describe the fate of the dead are in the Synoptic Gospels Yet among these passages only the Lukan tradition is intent on explicitly describing the abode of the dead it is the only biblical tour of hell Hauge examines the story of the Rich Man and Lazarus in Luke 16 19 31 uniquely the only parable that is set within a supernatural context The parables characteristically feature concrete realities of first century Mediterranean life but the majority of Luke 16 19 31 is narrated from the perspective of the tormented dead This volume demonstrates that the distinctive features of the story of the Rich Man and Lazarus are the result of a strategic imitation creative transformation and Christian transvaluation of the descent of Odysseus into the house of Hades in Odyssey Book 11 the literary model par excellence of postmortem revelation in antiquity
