Shoemaker, 2014-09-15 Originally published in 1912 A collection of stories focusing on Pennsylvania s folklore history and wildlife set in the Bald Eagle Mountains of Centre Clinton Lycoming Juniata and Union counties *Pennsylvania Fireside Tales* Jeffrey R. Frazier, 1996-12-31 Included are legends and tales of ghosts witches Indians highwaymen moonshiners and other interesting types who were once commonplace characters in the ridges of Pennsylvania **Amish Folk Tales and Other Stories of the Pennsylvania Dutch** C. Eugene Moore, 2011 The Amish are people steeped in customs and traditions based on living a simple quiet existence Get to know Lancaster County s Amish through amusing and entertaining folk tales and legends Seven stories highlight how the Amish and other Pennsylvania Dutch residents live there s even a true ghost story for your enjoyment Learn how John the Blacksmith foils the Devil laugh at the shenanigans of Eilenshpiggel read about the legends behind graven images and enjoy the Pennsylvania German humor with stories about the Ephrata man and his tooth and the Devil based stories from Lehigh County residents Stories feature 30 images of furniture quilts Amish toys and other items made by Pennsylvania German artisans with text explaining their significance today **Flatlanders and Ridgerunners** James York Glimm, 1983 Collects traditional legends proverbs tall tales jokes social customs and ghost stories from the northern counties of Pennsylvania Allegheny Episodes Henry W. Shoemaker, 1922 **Pennsylvania Fireside Tales Volume 3** Jeffrey R. Frazier, 2024-05-31 It is the author s opinion that it is not an exaggeration to say that if anyone wishes to experience one of those rare moments of true happiness that occurs in a lifetime they should go to the mountains and search for a teller of the old tales When sitting amidst the scenery that is woven into the heart and soul of the stories themselves cares of this present hectic age seem to melt away and the listener is indeed transported to another level a finer phase of existence that everyone should be able to experience whenever they so desire It has been this writer s privilege to feel a renewed optimism each time I ve gone back to the hills and that s the same high that I hope the reader gets when he peruses the stories preserved in my Pennsylvania Fireside Tales series In the meantime I continue to explore Pennsylvania s mountains It seems that they still call to me and when they do I must go And that s because it s from those mountaintops that I sometimes feel that I can almost touch the roof of Pennsylvania which in turn inspires me to collect still more of those old time tales that calm the spirit but also which fire the imagination to the point where fact and romance seem one and the same **In the Seven Mountains** Henry W Shoemaker, 2022-10-10 Henry Shoemaker compiled these folk tales set in the Seven Mountains of central Pennsylvania This collection of tales has been modernized for 21st century audiences

Pennsylvania Fireside Tales Volume 2 Jeffrey R Frazier, 2024-04-16 This volume and subsequent volumes include beloved

folk tales and legends collected by the author during his travels in the hills region of Pennsylvania **Pennsylvania Fireside Tales Volume 1** Jeffrey R Frazier,2023-11-21 This volume and subsequent volumes include beloved folk tales and legends collected by the author during his travels in the hills region of Pennsylvania Pennsylvania Mountain Stories Henry W. Shoemaker,2005-04 Henry W Shoemaker 1880 1958 was known for his deep love for the wilderness and native cultures of Pennsylvania The state s first official folklorist he wrote more than twenty books detailing Pennsylvania s modern mythology Pennsylvania Mountain Stories is perhaps Shoemaker s definitive collection of folktales The idea for this book came to Shoemaker during his college years when he spent his vacations traveling through the mountains of Pennsylvania on foot on horseback or by buggy He claimed that he heard the stories mostly after supper from people he met at lumber camps farmhouses and backwoods taverns As so many of the tales are devoted to subjects of a more or less supernatural order they cannot very well be true he writes but then hastens to add neither are they of the author s invention In this ethereal space between fact and fiction Pennsylvania Mountain Stories reveals the values the passions the obsessions of the people who told them This volume published under the Metalmark Books imprint contains a facsimile reproduction of the 1911 edition originally published by the Reading Times Publishing Company *The Black Ghost of Scotia and More Pennsylvania Fireside Tales* Jeffrey R. Frazier,1997-01-01 Enjoy the tales of ghosts witches Indians hunters and highwaymen that will transport you to a seat before a crackling fire in an early day cabin nestled among the green valleys of Pennsylvania s legend shrouded mountains *Spooky Pennsylvania* S. out Pennsylvania's best kept secrets and oddest legends. Scuttling about by every means available except maybe the horse drawn vehicles favored by some of our more famous citizens and with notebook and camera in hand Matt has gamely entered haunted houses trekked lesser traveled roads discreetly photographed shoe shaped houses and made his way warily through abandoned mental institutions. Sheer force of will stopped him from buying a heart shaped bathtub at the Mount Airy Lodge auction but he did explore the wreck of the place so that we admirers of the weird could see the sad demise of another bit of Pennsylvania strangeness. So turn the pages and see the Statue of Liberty in the Dauphin Narrows the dead and buried Corvette near Irwin the tiny town of Midgetville the Ape Boy of Chester and Resurrection Mary in Schnecksville Traipse through ghostly Eastern State Penitentiary listen to the Screaming Lady in Fort Mifflin and sympathize with Mrs Snell who was rained on by mud lots of mud. Swim with the Monster of Lake Erie bravely wander down Devil's Road chat with the Green Man of Pittsburgh and if you dare sit beneath Skull Tree. It's all here it's all for you it's all very weird. A brand new entry in the best selling Weird U S series. Weird Pennsylvania is packed with all the info about the Quaker State that your history teacher never taught you. So travel down our state's highways and byways with Matt by your side. It's a great adventure. And we promise It's a journey you'll never forget. Book jacket
