Tales From The Dad Side:

Tales from the Dad Side Steve Doocy, 2008-10-07 The co host of Fox Friends and author of the bestseller *The Mr Mrs Happy Handbook* offers hilarious and helpful advice on fatherhood *Tales from the Dad Side* Steve Doocy, 2009-10-06

What you're holding in your hands is a very funny and sometimes poignant look at fathers. It's filled with stories of what it's been like as a dad and a son from a child's first day of kindergarten to the awkward sex talk right up to the day the always practical dad tries to pay for college with bonus miles. While bookstores are filled with tales of mothers, their children, and families, there are so few from the dad's side. Now, as a public service, I'm doing my part to right this wrong. *Tales of Their Lives* Daphne Field, 2023-02-09 The family biographies I have written are the stories of my ancestors, our ancestors. How they lived, how they struggled, being surrounded by their families, their social history and geography until their eventual death. Some died prematurely, while others lived long, long lives. The stories are wrapped around photographs and pictures which bring the text to life. Names, dates, and places are factual. I have, however, taken liberties to add conversations as I imagined they would have. This book is incomplete because inevitably we will discover more facts and insights. My legacy to you, Stuart Lesley Darien, and including Avery and Kelsey. **Tales from the Dad Side** John Cospér, 2020-05-20 Once upon a time there was a dad who didn't want to tell the same old bedtime stories. Sure, he loved fairy tales as much as the next guy, but why tell the same old stories about pigs and bears and princesses when you can make up your own?

TALES FROM THE DAD SIDE is what happens when a dad and his kids decide to make up their own stories. Screenwriter and author John Cospér and his kids created a collection of stories featuring pigs, wolves, dogs, cats, robots, chickens, parrots, monsters, dragons, aliens, cockroaches, princesses, honey badgers, Star Wars haters, and one really, really angry bird. This newly revised edition includes ten brand new stories with more twisted fairy tales, aliens, and even a Christmas story. It also includes twelve pages of original art work by the kids who inspired the stories. Always funny, sometimes meaningful, and always entertaining, **TALES FROM THE DAD SIDE** is a great escape from the ordinary bedtime and the perfect launching pad to create your own stories and memories with your kids. *Life Stories* Maureen O'Connor, 2011-08-23

Memoirs, autobiographies, and diaries represent the most personal and most intimate of genres, as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. The popularity of this body of literature has grown in recent years, and it has also diversified in terms of the types of stories being told and persons telling them. In the past, readers' advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy. This guide offers an alternative organizing the literature according to popular genres, subgenres, and themes that reflect common reading interests. Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads, *Life Stories: A Guide to Reading Interests in Memoirs, Autobiographies, and Diaries* presents a unique

overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books
