Hacking For Beginners, 2010-12-09 **Completing a Professional Practice Dissertation** Jerry W. Willis, Ron Valenti, Deborah Inman, 2010-06-01 A growing number of both established and newly developed doctoral programs are focusing on the preparation of practitioners rather than career researchers Professional doctorates such as the Doctor of Nursing Practice DNP Doctor of Education EdD Doctor of Pharmacy PharmD Doctor of Professional Studies DProf or DPS and the Doctor of Psychology PsyD are in fact just a few of the professional doctorates being offered today Professional doctorates are the fastest growing segment of doctoral education The nature of the dissertation and the process of completing a dissertation can be quite different in a professional practice doctoral program but there are few resources for both students and faculty involved in completing and mentoring such dissertations This book was written specifically for students and faculty involved in professional practice dissertation work It addresses both the tasks and procedures that

professional practice dissertations have in common with dissertations in research doctoral programs as well as the tasks and issues that are more common in professional practice doctoral programs For example negotiating entry into applied settings and securing the cooperation of practicing professionals is covered as are alternative models for the dissertation e g the three article dissertation or TAD The book also covers tasks such as getting IRB approval for applied dissertation research conducted in the field and how to propose and carry out studies based on applied and professional models of research This book written by three experienced mentors of professional practice dissertation students is the comprehensive guide for both students and faculty

Cut Costs Not Corners Colin Barrow, 2010-05-03 Cost cutting is an issue for every manager and executive at every level in every company large or small public or private sector Junior managers who are proactively tight on cost are learning good habits for the future ones that will bring them recognition and advance their climb up the organizational chart The HR department is now staffed with tough cost managers dealing with the most difficult cost category people Marketing departments now focus on how to get higher returns from less spend *Cut Costs Not Corners* has a coherent and structured approach to cost cutting as a permanent activity combined with guidance on the practical steps to take and powerful international case studies It covers strategic and tactical cost cutting options such as analysing space needs buying technology for less selling off redundant assets reducing credit risk reviewing distribution methods sourcing new suppliers or consolidating existing ones advertising for less changing the route to market travel and utility savings minimising finance and tax costs crisis measures freezing recruitment delaying pay rises sell and lease back assets keeping budgets rolling and using a daily cash flow model
