Handgun Buyer's Guide Brad Fitzpatrick, 2015-11-17 The one stop shop for prospective handgun buyers The market for new handguns is expanding rapidly and that s good news for consumers Each year more and more new models break cover and there has never been a better time to be in the market for a new handgun whether you re a recreational shooter a concealed carry permit holder a hunter or a serious competitive shooter Today s handguns offer superb machining and utilize some of the most technologically advanced alloys polymers and finishes to help make the current crop of handguns

lightweight accurate durable and affordable This increase in product offerings stem from new interest in handguns primarily as a result of nationwide issuance of concealed carry permits As laws have been enacted that protect the rights of gun owners and defend our personal liberties more and more new shooters are showing up on the range But first time shooters and new concealed carry permit holders are not the only segment of the handgun market that is seeing growth and interest Pistol competitions have become more popular and more advanced evolving from slow fire matches at local gun clubs to modern IPSC IDPA and 3 gun competitions Handgun Buyer s Guide will help both the bewildered new shooter find their feet and purchase a handgun find the best accessories and locate a place to practice on hone their skills You ll find all you need for owning a handgun in the Handgun Owner s Guide Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home *Arms and the Man* ,1915 *Emergency Psychiatry* Ellen L. Bassuk,2012-12-06 This eagerly awaited volume occupies an important place in the series Critical Issues in Psychiatry Most mental health professionals are quite at home with ordinary day to day crises of clinical practice but relatively unprepared for the true psychiatric emergency Such emergencies are too infrequent for most of us to experience a real sense of competence On the other hand emergency room psychiatrists as well as residents and other trainees have long wished for a truly comprehensive textbook that would cover the spectrum of emergency psychiatry This book is just such a definitive and comprehensive volume for the specialist while at the same time a clear succinct and comprehensive reference for the clinician of emergency care The authors consistently present a systematic model emphasizing the interconnection between the process of emergency interven tion and the specific features of clinical crisis They are true to the principle that one s system of care should be built on priorities It is immediately apparent that these are highly experienced clinicians as well as teachers It is difficult to imagine a clinical situation that is not addressed by this book It includes chapters on triage assessment and treatment planning emer gencies associated with all the various psychopathologies age groups from childhood to old age the emergency management of violent and suicidal pa tients as well as rape and disaster victims emergencies secondary to substance abuse and prescribed medications psychotherapeutic and psychopharmacol ogic intervention as well as the relevant legal social and community issues in emergency care
