the calm of a girl with God on her side Pushing pain and panic aside she began to paddle with one arm focusing on a single thought Get to the beach And when the first thing Bethany wanted to know after surgery was When can I surf again it became clear that her spirit and determination were part of a greater story a tale of courage and faith that this soft spoken girl would come to share with the world Soul Surfer is a moving account of Bethany s life as a young surfer her recovery after the attack the adjustments she s made to her unique surfing style her unprecedented bid for a top showing in the World Surfing Championships and most fundamentally her belief in God It is a story of girl power and spiritual grit that shows the body is no more essential to surfing perhaps even less so than the soul
