Sabbath Rest as Vocation Autumn Alcott Ridenour, 2018-06-14 Autumn Alcott Ridenour offers a Christian theological discussion on the meaning of aging toward death with purpose identity and communal significance Drawing from both explicit claims and constructive interpretations of St Augustine's and Karl Barth's understanding of death and aging this volume describes moral virtue as participation in Christ across generations culminating in preparation for Sabbath rest during the aging stage of life Addressing the inevitability of aging the prospect of mortality the importance of contemplative action and expanding upon the virtues of growing older Ridenour analyzes how locating moral agency as union with Christ results in virtuous practices for aging individuals and their surrounding communities By responding with constructive theology to challenges from transhumanist bioethical and medical arenas the volume highlights implications not only for virtue ethics but also for the goals of medicine Soul Rest

Curtis Zackery,2018-06-06 In the midst of a cacophony of noise finding true soul rest is nearly impossible With so many responsibilities and distractions vying for our attention too many of us have built unhealthy cycles of rest As a result we burn ourselves out striving and straining against God's intent for our lives We can only sustain a life of purpose if we learn to truly rest In Soul Rest Curtis CZ Zackery reveals how our misaligned view of rest has its roots in an identity that is out of rhythm with God Taking steps toward understanding Sabbath in the way that God intends can dynamically affect every aspect of our lives This thoughtful reflection on rest calls us to the hard work of self examination helping us move towards a purposeful and sustainable life with Jesus

A Scriptural Theology of Eucharistic Blessings Susan I. Bubbers,2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters

Blessings from a Thousand Generations Donna Evans Strauss,2011-02-25 It all starts in the Garden of Eden where Adam and Eve move from spiritual oneness with God to separation and individuation After eating from the Tree of Knowledge both Adam and Eve leave Eden to create their own Family Tree of Knowledge Our spiritual journey and blessings come from embracing our family heritage healing our ancestral and cultural wounds while uncovering the divine within us If we learn how to recognize and embrace both Positive Love Bond and Negative Love Bond experiences with insight love and acceptance forgiveness and compassion we can find the path that will lead us toward true peace and oneness with God The God Realization Process offers you the opportunity unravel the mystery of the divine light within and receive the blessings from a thousand generations The Ten Spiritual Keys Commandments were a gift from God to secure our relationships with him to awaken the light within us and to manifest and transform anything in our lives and most of all to heal our families and bless them and generations to come
