A History of South Africa Leonard Thompson, 2014-04-29 A magisterial history of South Africa from the earliest known human inhabitation of the region to the present Lynn Berat updates this classic text with a new chapter chronicling the first presidential term of Mbeki and ending with the celebrations of the centenary of South Africa's ruling African National Congress in January 2012 A history that is both accurate and authentic written in a delightful literary style Archbishop Desmond Tutu Should become the standard general text for South African history Recommended for college classes and anyone interested in obtaining a historical framework in which to place events occurring in South Africa today Roger B Beck History Reviews of New Books Advancing the Human Right to Health José M. Zuniga, Stephen P.

Marks, Lawrence O. Gostin, 2013-07-04 Advancing the Human Right to Health offers a prospective on the global response to one of the greatest moral legal and public health challenges of the 21st century achieving the human right to health as

enshrined in the Universal Declaration of Human Rights UDHR and other legal instruments Featuring writings by global thought leaders in the world of health human rights the book brings clarity to many of the complex clinical ethical economic legal and socio cultural questions raised by injury disease and deeper determinants of health such as poverty Much more than a primer on the right to health this book features an examination of profound inequalities in health which have resulted in millions of people condemned to unnecessary suffering and hastened deaths In so doing it provides a thoughtful account of the right to health s parameters strategies on ways in which to achieve it and discussion of why it is so essential in a 21st century context Country specific case studies provide context for analysing the right to health and assessing whether and to what extent this right has influenced critical decision making that makes a difference in people s lives Thematic chapters also look at the specific challenges involved in translating the right to health into action Advancing the Human Right to Health highlights the urgency to build upon the progress made in securing the right to health for all offering a timely reminder that all stakeholders must redouble their efforts to advance the human right to health

Achieving the Sustainable Development Goals Punctually Graeme Baber,2020-12-01 This book defines sustainable development setting out the launch of the Sustainable Development Goals SDGs from their inception in January 2011 to their operationalization in September 2015 It maps the Millennium Development Goals MDGs and their targets to the SDGs and their respective targets Nine SDGs are classified on the basis of the mapping exercise as proceeding from the MDGs and eight as new Goals One of the nine SDGs SDG 1 is the subject of a Continuation Microstudy the structure for which is also used for the Continuation Macrostudy that assesses the others from this group for punctual achievement One of the eight new Goals SDG 10 is the subject of a New Ground Microstudy the structure for which is condensed into a New Ground Macrostudy that evaluates the other new Goals for punctual accomplishment The book will be useful to students of development finance and economics policy makers in the area of sustainable development and members of the public who are interested in the world around us and in sustainable development in particular

Economic and Social Conditions in Southern Africa, 2004 ,2006 Gender-Based Violence and Femicide in South Africa Tameshnie Deane,2024-06-27 This book presents new perspectives on gender based violence GBV in South Africa It argues that violence against women is a manifestation of unequal gender relations and harmful manifestations of hegemonic masculinity which are governed by patriarchal beliefs institutions and systems It includes chapters on quantitative research that assess not only the levels and determinants of violence against women but also men s attitudes towards gender based violence perceptions of violence the legislative frameworks governing violence against women in South Africa and the current cases and jurisprudence relating to this scourge In spite of its focus on South Africa the book also provides insights for comparative scholars exploring the value of different constitutional articulations of human rights and how they support or fail to support efforts to combat violence against women By assessing recent incidents and responses to gender based violence the book provides a view of not only the societal but also jurisprudential

opportunities and pitfalls in this area that may be applicable elsewhere Gender equality and central to this the right of women to live lives free of violence is a precondition for full democratic participation and is a universal goal Accordingly the South African experience contributes to a wider understanding of the possibilities and limitations of societal and legal reform in challenging the ubiquity of violence against women The book is aimed at researchers practitioners students professionals and advocates in the field of gender based violence

Financing Human Development in Africa, Asia and the Middle East Rob Vos,Marco V. Sánchez,2014-01-09 How much would poor nations need to invest to eliminate poverty get all children in school and provide adequate basic health care for all Can they afford it Financing Human Development in Africa Asia and the Middle East provides some clear answers to these questions The contributors assess feasible financing strategies underpinning actions to enhance human development in pursuance of the United Nations Millennium Development Goals MDGs The contributors analyse these strategies in the context of broader concerns of economic development in nine countries in Africa Asia and the Middle East The assessments stress the importance of redesigning macroeconomic policies so as to make these more supportive of long term economic growth and employment creation while ensuring sufficient investments in human development in order to end poverty and overcome deep rooted inequalities Handbook of African Development
