Witham, 2005-07-01 The clergy today faces mounting challenges in an increasingly secular world where declining prestige makes it more difficult to attract the best and the brightest young Americans to the ministry As Christian churches dramatically adapt to modern changes some are asking whether there is a clergy crisis as well Whatever the future of the clergy the fate of millions of churchgoers also will be at stake In Who Shall Lead Them prizewinning journalist Larry Witham takes the pulse of both the Protestant and Catholic ministry in America and provides a mixed diagnosis of the calling s health Drawing on dozens of interviews with clergy seminarians and laity and using newly available survey data including the 2000 Census Witham reveals the trends in a variety of traditions While evangelicals are finding innovative paths to ministry the Catholic priesthood faces a severe shortage In mainline Protestantism ministry as a second career has become a prominent feature Ordination ages in the Episcopal and United Methodist churches average in the 40s today The quest by female clergy to lead from the pulpit meanwhile has hit a stained glass ceiling as churches still prefer a man as the principal minister While deeply motivated by the mystery of their call to ministry America s priests pastors and ministers are reassessing their roles in a world of new debates on leadership morality and the powers of the mass media Who Shall Lead Them offers a valuable snapshot of this

contemporary clergy drama It will be required reading for everyone concerned about the rapidly shifting ground of our churches and the health of religion in America Becoming What We Sing David Lemley,2021-01-07 Contemporary worship music is ubiquitous in many Protestant Christian communities today Rather than debating or decrying this post worship wars reality David Lemley accepts it as a premise and examines what it means for us to be singing along with songs that aren't so different from the pop genre How do we cope with the consumerism embedded in the mentality that catchy is good How do we stay committed to subverting cultural norms as Christians are called to do when our music is modeled after those cultural norms How do we ensure that the way we participate in the liturgy of contemporary worship music rehearses a cruciform identity Becoming What We Sing draws on cultural criticism ethnomusicology and liturgical and sacramental theology to process the deluge of the contemporary in today's worship music Lemley probes the thought of historical figures such as Augustine Hildegard of Bingen Martin Luther and the Wesleys while also staying situated in the current moment by engaging with cultural philosophers such as James K A Smith and popular artists such as U2 The result is a thorough assessment of contemporary worship music's cultural economy that will guide readers toward greater consciousness of who we are becoming as we sing our way into selves societies and cosmic perspectives **The Billboard Guide to Contemporary Christian Music** Barry Alfonso,2002 Chronicling the amazing rise of this genre from its gospel roots to today's diverse musical sound this guide offers a complete capsule encyclopedia of Contemporary Christian artists as well as an introduction to the music form 40 illustrations **The ^AOxford Handbook of Music and World Christianities** Suzel Ana Reily,Jonathan M. Servanthood of Song Stanley R. McDaniel, 2024-05-23 Servanthood of Song is a history of American church music from the colonial era to the present Its focus is on the institutional and societal pressures that have shaped church song and have led us directly to where we are today The gulf which separates advocates of traditional and contemporary worship Black and White Protestant and Catholic is not new History repeatedly shows us that ministry to be effective must meet the needs of the entire worshiping community not just one segment age group or class Servanthood of Song provides a historical context for trends in contemporary worship in the United States and suggests that the current polemical divisions between advocates of contemporary and traditional classically oriented church music are both unnecessary and counterproductive It also draws from history to show that to be the powerful component of worship it can be music whatever the genre must be viewed as a ministry with training appropriate to that Servanthood of Song provides a critical resource for anyone considering a career in either musical or pastoral ministries in the American church as well as all who care passionately about vital and authentic worship for the church of today
