been at the forefront of efforts to explore outer space resulting in the Apollo missions to the moon the Skylab space station and the space shuttle But beyond these very public explorations author Nick Redfern seeks to display what goes on behind the scenes at NASA ascertaining whether there is any truth to rumors and speculation about everything from a possible UFO crash at Roswell New Mexico in 1947 to whether or not the moon landings themselves were faked *Weekly World News*, 1981-12-29 Rooted in the creative success of over 30 years of supermarket tabloid publishing the *Weekly World News* has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site The Bloomsbury Handbook of Apocalypticism and Millennialism Tristan Sturm, Andrew Crome, 2025-10-16 In an age shadowed by pandemics climate catastrophe authoritarian resurgence and existential technological threats The Bloomsbury Handbook of Apocalypticism and Millennialism offers a timely and indispensable exploration of how societies make sense of their Ends and their hoped for new beginnings This ground breaking volume gathers leading scholars to trace the evolution meanings and enduring potency of apocalyptic and millennial ideas across religious secular and cultural landscapes From ancient revelatory texts to contemporary political movements and popular culture the book dissects how these concepts function not just as prophecies of doom but as frameworks for resistance renewal and transformation Through meticulous historical analysis and bold theoretical interventions the contributors interrogate core debates from the distinctions between apocalypticism and millennialism to their radical entanglements with justice space temporality and morality This volume dismantles simplistic portrayals of End Times thinking revealing instead its nuanced world shaping logic Whether manifest in religious movements or global politics apocalypse is no longer a marginal concern it is the defining hermeneutic of our times Scholarly provocative and urgent this Handbook is essential reading for researchers students and anyone seeking to understand how humanity envisions and enacts its endings and potentially new beginnings *SPIN*, 1986-02 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks **All the Living** C. E. Morgan, 2009-03-31 One summer a young woman travels with her lover to the isolated tobacco farm he has inherited after his family dies in a terrible accident As Orren works to save his family farm from drought Aloma struggles with the loneliness of farm life and must find her way in a combative erotically charged relationship with a grieving taciturn man A budding friendship with a handsome and dynamic young preacher further complicates her growing sense of dissatisfaction As she considers whether to stay with Orren or to leave she grapples with the finality of loss and death and the eternal question of whether it is better to fight for freedom or submit to love All the Living has the timeless quality of a parable but is also a perfect evocation of a time and place a portrait of both age old conflicts and modern life It is

an ode to the starve acre Southern farm the mountain landscape and difficult love In her lyrical and moving debut novel *C E Morgan* recalls both the serenity of Marilynne Robinson and the shifting emotional currents and unashamed eroticism of James Salter It is an unforgettable book from a major new voice [Hearken, O Ye People](#) Mark Lyman Staker, 2008-07-01 Best Book Award Mormon History Association Best Book Award John Whitmer Historical Association More of Mormonism's canonized revelations originated in or near Kirtland than any other place Yet many of the events connected with those revelations and their 1830s historical context have faded over time Barely twenty five years after the first of these Ohio revelations Brigham Young lamented in 1856 These revelations after a lapse of years become mystified sic to those who were not personally acquainted with the circumstances at the time they were given He gloomily predicted that eventually the revelations may be as mysterious to our children as the revelations contained in the Old and New Testaments are to this generation Now more than 150 years later the distance between what Brigham Young and his Kirtland contemporaries considered common knowledge and our understanding of the same material today has widened into a sometimes daunting gap Mark Staker narrows the chasm in *Hearken O Ye People* by reconstructing the cultural experiences by which Kirtland's Latter day Saints made sense of the revelations Joseph Smith pronounced This volume rebuilds that exciting decade using clues from numerous archives privately held records museum collections and even the soil where early members planted corn and homes From this vast array of sources he shapes a detailed narrative of weather religious backgrounds dialect differences race relations theological discussions food preparation frontier violence astronomical phenomena and myriad daily customs of nineteenth century life The result is a from the ground up experience that today's Latter day Saints can all but walk into and touch **Abandoned Princess' Farm Space** Mei WuZiTong, 2020-10-13 Lu Xueyan had reincarnated into someone else's body Moreover the original owner was feeling a bit sad It was fine if she was an Imperial Concubine but she still had a ball It was one thing for her husband to go missing but her big brother actually lost It was fine that her mother had died but her stepmother was still as vicious as a snake It was one thing to be a side concubine but he had been beaten down by the main concubine to such a pathetic state Although there were still a few loyal people around they didn't have anything to eat Was he going to starve to death **Jesus from Outer Space** Richard Carrier, 2020-10-20 The earliest Christians believed Jesus was an ancient celestial being who put on a bodysuit of flesh died at the hands of dark forces and then rose from the dead and ascended back into the heavens But the writing we have today from that first generation of Christians never says where they thought he landed where he lived or where he died The idea that Jesus toured Galilee and visited Jerusalem arose only a lifetime later in unsourced legends written in a foreign land and language Many sources repeat those legends but none corroborate them Why What exactly was the original belief about Jesus and how did this belief change over time In *Jesus from Outer Space* noted philosopher and historian Richard Carrier summarizes for a popular audience the scholarly research on these and related questions revealing in turn how modern attempts to conceal misrepresent or avoid

the actual evidence calls into question the entire field of Jesus studies and present day beliefs about how Christianity began
