A spine chilling exploration of premature burials miraculous escapes and humanity s deep fear of being buried alive throughout history The macabre meets the factual in this spine chilling exploration of humanity s darkest fear being buried alive From ancient folklore to modern medical marvels Buried Alive delves deep into the annals of history uncovering tales of premature interment and miraculous escapes Imagine the horror of waking up in a coffin surrounded by suffocating darkness with no hope of escape Drawing on historical records and eyewitness accounts this book reveals the grim reality of those who were inadvertently entombed before their time From cases of war where whole battalions have been covered in earth whilst still living to ritual and superstition from voodoo to suttee in Haiti and India as well as the immurement in walls or errant monks and convent sisters Less known cases of burials of the living through murderous intentions and natural disasters are also told alongside tales of fakirs and hypnotists whose challenges were to have themselves put into a grave and left for days

Amidst tales of terror this book also celebrates the resilience and heroism of those who defied death's grasp providing a wealth of historical detail and many cases which have never before appeared in print From the invention of bell rigged coffins to the formation of societies dedicated to preventing premature burials discover the remarkable measures taken to combat this age old fear Through meticulous research and a gripping narrative *Buried Alive* separates fact from fiction shedding light on the truth behind centuries of taphophobia This book is a haunting reminder of the fragility of life and the enduring power of human resilience in the face of our deepest fears **Atlantic Reporter**, 1894 The Diary Samuel Pepys, 1905 *The Palgrave Handbook of Steam Age Gothic* Clive Bloom, 2021-02-03 By the early 1830s the old school of Gothic literature was exhausted Late Romanticism emphasising as it did the uncertainties of personality and imagination gave it a new lease of life Gothic the literature of disturbance and uncertainty now produced works that reflected domestic fears sexual crimes drug filled hallucinations the terrible secrets of middle class marriage imperial horror at alien invasion occult demonism and the insanity of psychopaths It was from the 1830s onwards that the old gothic castle gave way to the country house drawing room the dungeon was displaced by the sewers of the city and the villains of early novels became the familiar figures of Dr Jekyll and Mr Hyde Dracula Dorian Grey and Jack the Ripper After the death of Prince Albert 1861 the Gothic became darker more morbid obsessed with demonic lovers blood sucking ghouls blood stained murderers and deranged doctors Whilst the gothic architecture of the Houses of Parliament and the new Puginesque churches upheld a Victorian ideal of sobriety Christianity and imperial destiny Gothic literature filled these new spaces with a dread that spread like a plague to America France Germany and even Russia From 1830 to 1914 the period covered by this volume we saw the emergence of the greats of Gothic literature and the supernatural from Edgar Allan Poe to Emily Bronte from Sheridan Le Fanu to Bram Stoker and Robert Louis Stevenson Contributors also examine the fin de siècle dreamers of decadence such as Arthur Machen M P Shiel and Vernon Lee and their obsession with the occult folklore spiritualism revenants ghostly apparitions and cosmic annihilation This volume explores the period through the prism of architectural history urban studies feminism hauntology and much more Horror as Poe teaches us is the soul of the plot *The Diary of Samuel Pepys* Samuel Pepys, 1929 **English Prose (1137-1890)** John Matthews Manly, 1909 **The Bulletin of Pharmacy**, 1913 **Bulletin of Pharmacy**, 1913 Firewalking and Religious Healing Loring M. Danforth, 2016-09-29 If the Saint calls you if you have an open road then you don't feel the fire as if it were your enemy says one of the participants in the Anastenaria This compelling work evokes and contrasts two forms of firewalking and religious healing first the Anastenaria a northern Greek ritual in which people who are possessed by Saint Constantine dance dramatically over red hot coals and second American firewalking one of the more spectacular activities of New Age psychology Loring Danforth not only analyzes these rituals in light of the most recent work in medical and symbolic anthropology but also describes in detail the lives of individual firewalkers involving the reader personally in their experiences he views ritual therapy as a process of transformation and

empowerment through which people are metaphorically moved from a state of illness to a state of health Danforth shows that the Anastenaria and the songs accompanying it allow people to express and resolve conflict laden family relationships that may lead to certain kinds of illnesses He also demonstrates how women use the ritual to gain a sense of power and control over their lives without actually challenging the ideology of male dominance that pervades Greek culture Comparing the Anastenaria with American firewalking Danforth includes a gripping account of his own participation in a firewalk in rural Maine Finally he examines the place of anthropology in a postmodern world in which the boundaries between cultures are becoming increasingly blurred Filipino Heritage ,1977 Filipino Heritage: The stone age in the Philippines ,1977
