Importance of Discipline

"The cost of Discipline is always less than the price of regrets, so self-discipline is always the biggest investment to success in life" who will forget such inspiring breath-stopping inspiring words of 11th president of India- Dr APJ Abdul Kalam. He was the most disciplined person in the world. Countless qualities the man had but it was not of any use if he wasn't disciplined one. Frequently he addresses the disciplined quality in the successful people in his speeches. If such an inspirational legendary person described the discipline as a key to success, then there must be something in that.
