Bred by the Beastmen - Reluctant Virgin Beast Monster Gangbang Breeding Francis Ashe, When TV show host Gina Templeton gets a hot tip about a group of never before filmed beastmen living deep in an uncharted forest she jumps at the chance to break the story As soon as she and her team arrive on location their guide reveals that in all the years he s known about the wild men he s never seen a female Will Gina be able to keep her femininity concealed or will the gorgeous muscular terrifying men of the forest figure her out Warning This 5300 word erotic short story features a group halfway between man and beast a woman bound a gangbang breeding explicit oral and vaginal sex anal play a terrified cameraman an alpha that towers above the rest of the beastmen and a woman who is far more important than she realizes Excerpt A hand around my ankle powerful and callused yanked me backwards from my hiding place and into the air Dangling there upside down my khaki hiking shirt fell to my chin I tried to push it back up but as soon as I did another of the monstrous men snatched my hand and held my wrist My first instinct was to scream To kick bite howl and run My second instinct was to let them fuck me Those feelings from earlier the heat that rose from the base of my spine as I watched them wrestle came flooding back I writhed and twisted partially because I wanted to get away and partially because I wanted the savage wild men to think I was fighting Maybe if they think I want to run they ll hold me down tie me up something A fist shot out in no particular direction as I thrashed and thumped against a hard drawn jaw What seemed to be a real hay maker on my end barely fazed the muscular creature who just smiled back the moonlight glinting off his muscled chest Breath caught in my chest as the one holding me aloft shook his silvery hair and let it settle around his shoulders His high cheekbones and full lips drenched in shadow but still plainly visible took me aback The light dusting of hair over the lower half of his face was less beard and more fur but even still I could not take my eyes off him Something about his severe powerful face made me yearn for him ache for him to fill me with his And that was the first time I looked down Beastmen's Breeding Mare - Reluctant Virgin Monster Breeding Gangbang Francis Ashe, Beautiful self assured Gina Templeton was the host of an award winning cryptozoology television show but has been taken prisoner by the very creatures she once sought to film Will she be able to keep the muscle bound savage and strangely beautiful monsters who captured her satisfied long enough for her noble mate Kalak to save her from the rampaging beasts who have her bound and caged Explicit raw exciting sexual content a massive gangbang rough breeding themes and with a happy ever after you ll never forget this sizzling erotic short story is meant for readers 18 and over Excerpt As smooth as running quicksilver Boros the Black crossed the space between us and took my arm roughly in his hand yanking me to my feet In the moon s silver light I could see the outline of his awful face and his huge muscled arms and shoulders The hard black hair that gave Boros his name rasped against my skin raising goose bumps wherever he touched Boros I Quiet I tried to keep calm as his callused hands dragged from my naked waist to my neck The heat inside me that rose when he entered began to bubble up and turn my flesh red with desire He sniffed the air in

three quick snorts then a long deep one I smell you in the air he said Something about his voice the gravely desire underneath his words it made me want him despite my misgivings As strange as it was I felt connected to Kalak and his tribe Though he shared me with his sons that act was somehow different But I drew a breath and trembled as I exhaled With one of his massive hands around my waist and the other tangled in my hair Boros turned to face the moon and I felt a shudder creep through me as desire burned deep within My cage was on three sides made of wood lashed together which were joined to the side of a flat rock face He moved closer to me and pulled my body against his His cock running between my legs stoked the fire in my core His rough hard fingers slid from my waist to my chest and rasped over my sweetly aching nipples Since he last forced himself inside me with my back arched against him and my pussy yearning for his hardness my entire body seemed to prickle with every breath I took Mmm he moaned from low in his throat What kind of witch are you Witch I have he said as he slid his hand to my shoulder I have had many mates But you seem to cast a spell over me A smile played across my lips The hand on my shoulder pushed me gently urging me to go to my knees I knelt in front of the great Boros and felt his heat beside my face In the darkness he was almost invisible except when he turned into the moon But I had him enough to know exactly how long and how hard his cock was as I ran my hands up his muscled thighs and embraced his girth with my eager fingers
