Tax Effective Succession Planning For The Owner Manager:

The Art of Business Succession Craig Holland, 2016-05-04 As the majority of baby boomers retire over the next five to 10 years succession planning will be vital for the long term survival of many businesses Australia is about to see a huge transfer of wealth from the baby boomer generation yet many businesses particularly family owned businesses struggle to ensure a smooth transition of business management and ownership Myriad studies show that fewer than 30 per cent of private businesses have an achievable succession plan in place Most business owners do nothing or they choose to focus on one area in the succession planning process such as tax while ignoring many of the other key issues that need to be dealt with For companies that are family owned the ramifications may be even more sweeping The personal issues they face compounding other day to day business concerns range from planning for income taxes to maintaining interpersonal relationships with family members Succession planning is more complex now as many different business financial and personal issues come into play A good succession plan will look at a range of issues such as people and talent family dynamics corporate structure estate planning insurance and share transfer to name just a few The Art of Business Succession Planning is for anyone in business who wants to have a change retire or simply sell their business It is designed to guide business owners through a comprehensive and strategic approach to the business succession process The opportunities and benefits are great when succession planning is undertaken in a disciplined way

The Entrepreneur'S Edge Ii Daniel R. Hogan Jr., PhD,2016-08-18 There are many reasons for business failure chief among which is management Invariably entrepreneurs business owners usually blame outside forces for their shortcomings or ill luck Often the very traits that lead them to launch an entrepreneurial enterprise are the traits

that lead to the final demise of their dreams The internal locus of control and if its going to be its up to me attitude that entrepreneurs possess and acknowledge as a factor of success is rejected as a contributing factor of failure The reason for trouble and a resultant failure is most often attributed to the lack of capital and the lack of the ability knowledge and capacity to obtain capital both in the form of debt and equity and most prevalent the lack of positive cash flow This book will help the entrepreneur who may be well versed in a given field expertise or industry to fill the ever present task of constantly seeking required capital In addition to the increasing management communication and people skills that the perhaps technically talented enterpriser must soon master is the realization that he she must also always seek capital if the business is to survive and grow Capital working capital positive cash flow is the lifeblood of the business Without it there is no growth no survival and no life In the entrepreneurs enthusiasm the zeal to achieve the vision the exhilaration and activity of the moment the need for money and a timely positive cash flow are often overlooked They are the very life force of the business the oxygen for the venture without which it will die The Entrepreneurs Edge ll will assist the planning necessary in finding the money raising the money making the money and keeping the money It along with the accompanying books in the series The Entrepreneurs Edge Finding the Money The Entrepreneur Manager The Business Mans Business Plan The Entrepreneurs Guide to Start Grow and Manage a Profitable Business and Economics Entrepreneurship Ethics The Es of Business helps to fill the toolbox necessary for every entrepreneur and business manager **Passing the Torch Without Getting Scorched** Lawrence M. Gold,2013-08 If you ve ever thought about succession planning and avoided it because it seemed too complex and daunting this book is for you If you re a business owner who has never thought about succession planning this book is for you This book is designed to be a primer an overview of succession planning written in language that you can understand It will help you navigate the process of developing an effective succession plan for your business In other words it will help you pass the torch without getting scorched I ve had a lot of experience with succession planning and the consequences of the absence of a succession plan and I know first hand how critical is the need for effective succession planning for any business large or small My goal is to demystify this topic and present you the reader with basic concepts that will remove your fears and replace them with a solid platform for the legacy you wish to pass on to the next generation
