Clean Up Your Credit! Richard Mansfield,2022-05-15 Bad things happen to good people Events not always under our control can often result in our credit scores going down and sometimes way way down There are consumer protection laws that you can use to remove negative items from your credit report

Because of a quirk in the law you can as the author did remove items that really are yours But if you try to go it alone the credit repair journey can be a nightmare This book introduces a step by step credit repair system actual documents the author used to settle suits and legal cases filed in federal courts against major credit bureaus These are the credit repair secrets they really don't want you to know from someone who successfully challenged the credit reporting industry Contrary to what you may believe there is a way to improve your credit score substantially and this book will help you get there The author was a vice president at Guardian Bank in charge of the collection department and went on to start a collection agency After selling the agency he became a credit restoration coach To prove what he knew in theory could in fact be done he stopped paying everything repossession foreclosure medical bills student loans and credit cards He even filed for bankruptcy His credit score went from over 800 down to 461 He had it back to 742 in five months Mr Mansfield walks you through every step of the credit restoration process As a bonus when you purchase the book there's information on how to contact Mr Mansfield directly There is no other credit restoration book like this

The Complete Idiot's Guide to Improving Your Credit Score Lita Epstein, Lita, MBA Epstein, 2007 Consumers have known about credit reports for a long time we're well aware that lenders rely on them to determine whether they want to do business with us Any time we want to buy a house rent an apartment or take out a loan it's a safe assumption that one or several reporting agencies are going to be contacted to provide our credit history But we don't always realize that there's a single element on that report that determines success or failure and that's a three digit number called a credit score Created by Fair Isaac and Company this formerly secret FICO number was until fairly recently available only to lenders and businesses and although it's hush hush no longer many of us still don't understand it because there hasn't been enough information on what it is and what exactly lenders are looking for And we certainly haven't known how to make it work for us rather than against us In *The Complete Idiot's Guide to Improving Your Credit Score* author Lita Epstein clearly explains what your credit score is and how it impacts your life Rather than putting the focus squarely on credit emergencies it provides everything readers need to know to raise their score and keep it high now and in the future

Your Credit Score Liz Weston, 2015-10-05 Improve your credit score for real with the 1 best selling guide you can trust Today a good credit score is essential for getting credit getting a job even getting car insurance or a cellphone Now best selling journalist Liz Pulliam Weston has thoroughly updated her top selling guide to credit scores with crucial new information for protecting or rebuilding yours Weston thoroughly covers brand new laws and rules surrounding credit scoring including some surprising good news and some frightening new risks Don't settle for an out of date guide to credit scoring when *Your Credit Score Fifth Edition* offers brand new coverage of all this and more Recent consumer friendly reforms in lending credit score calculation and credit bureau behavior and how to take advantage of them How you can finally get your credit disputes reviewed by an actual human being Why recent medical debts shouldn't impact your score anymore How to get a legitimately free FICO score without getting ripped off How lenders have recently

loosened their criteria making it easier to get loans even if your credit isn't perfect Important new options for student loan borrowers including brand new ways to dramatically limit your payments How tax refund fraud is soaring and the one little known way to avoid becoming a victim The disappearance of manual underwriting why it's now virtually impossible to get a mortgage without credit scores Weston updates her guidance on raising your FICO score fighting lower limits or higher rates maintaining the right mix of cards and balances bouncing back from bad credit choosing credit solutions that help not hurt explodes both new and old myths about credit scoring and much more Your Credit Score is for every consumer who is concerned about improving or protecting their credit and it's so up to date and useful thousands of financial professionals use it too *IRS Implementation of the Taxpayers' Bill of Rights* United States.
