Tailor and Cutter, 1867 *Ready-Made Democracy* Michael Zakim, 2003 Ready Made Democracy explores the history of men's dress in America to consider how capitalism and democracy emerged at the center of American life during the century between the Revolution and the Civil War Michael Zakim demonstrates how clothing initially attained a significant place in the American political imagination on the eve of Independence At a time when household production was a popular expression of civic virtue homespun clothing was widely regarded as a reflection of America's most cherished republican values simplicity industriousness frugality and independence By the early nineteenth century homespun began to disappear from the American material landscape

Exhortations of industry and modesty however remained a common fixture of public life In fact they found expression in the form of the business suit Here Zakim traces the evolution of homespun clothing into its ostensible opposite the woolen coats vests and pantaloons that were ready made for sale and wear across the country In doing so he demonstrates how traditional notions of work and property actually helped give birth to the modern industrial order For Zakim the history of men s dress in America mirrored this transformation of the nation s social and material landscape profit seeking in newly expanded markets organizing a waged labor system in the city shopping at single prices and standardizing a business persona In illuminating the critical links between politics economics and fashion in antebellum America *Ready Made Democracy* will prove essential to anyone interested in the history of the United States and in the creation of modern culture in general

The Berg Companion to Fashion Valerie Steele,2015-08-01 An essential reference for students curators and scholars of fashion cultural studies and the expanding range of disciplines that see fashion as imbued with meaning far beyond the material Over 300 in depth entries covering designers articles of clothing key concepts and styles Edited and introduced by Valerie Steele a scholar who has revolutionized the study of fashion and who has been described by *The Washington Post* as one of fashion s brainiest women Derided by some as frivolous even dangerous and celebrated by others as art fashion is anything but a neutral topic Behind the hype and the glamour is an industry that affects all cultures of the world A potent force in the global economy fashion is also highly influential in everyday lives even amongst those who may feel impervious This handy volume is a one stop reference for anyone interested in fashion its meaning history and theory From Avedon to Codpiece Dandyism to the G String Japanese Fashion to Subcultures Trickle down to Zoot Suit *The Berg Companion to Fashion* provides a comprehensive overview of this most fascinating of topics and will serve as the benchmark guide to the subject for many years to come

Dressing Global Bodies Beverly Lemire,Giorgio Riello,2019-11-19 *Dressing Global Bodies* addresses the complex politics of dress and fashion from a global perspective spanning four centuries tying the early global to more contemporary times to reveal clothing practice as a key cultural phenomenon and mechanism of defining one s identity This collection of essays explores how garments reflect the hierarchies of value collective and personal inclinations religious norms and conversions Apparel is now recognized for its seminal role in global colonial and post colonial engagements and for its role in personal and collective expression Patterns of exchange and commerce are discussed by contributing authors to analyse powerful and diverse colonial and postcolonial practices This volume rejects assumptions surrounding a purportedly all powerful Western metropolitan fashion system and instead aims to emphasize how diverse populations seized agency through the fashioning of dress *Dressing Global Bodies* contributes to a growing scholarship considering gender and race place and politics through the close critical analysis of dress and fashion it is an indispensable volume for students of history and especially those interested in fashion textiles material culture and the body across a wide time frame

Pattern Cutting for Menswear Gareth Kershaw,2021-01-07 *Pattern Cutting for Menswear* is a comprehensive

guide to cutting patterns from basic skills to advanced techniques With over twenty complete patterns including new jacket and trouser styles this revised edition features additional sections on the leg stride relationship in the development of certain trouser styles fabric properties and their effect on cut and drape fitting techniques for structured jackets and the latest information on pattern CAD based technologies The step by step approach complete with scaled diagrams and technical flats fashion illustrations and photographs of toiles enables you to cut patterns with confidence **Patent Office Library**

Subject Lists. New Series Great Britain. Patent Office. Library,1914 , **Subject List of Works on the Textile Industries and Wearing Apparel Including the Culture and Chemical Technology of the Textile Fibres in the Library of the Patent Office** Great Britain. Patent Office. Library,1919
