Stories Natalie Marena Nobitz,2018-10-04 Critical analysis of the dramatisation of homosexuality in British fiction about the Second World War is noticeable only by its relative absence from the field Whereas feminist literary criticism has broadened the canon of war fiction to include narratives by and about women queer scholars have seldom focused on literary representations of homosexuality during the war Natalie Marena Nobitz closes a glaring gap in the critical attention of four novels dealing with the disruption of gender roles and institutionalised heteronormativity Walter Baxter s Look Down in Mercy 1951 Mary Renault s The Charioteer 1953 Sarah Waters The Night Watch 2006 and Adam Fitzroy s Make Do and Mend 2012 **Get the Damn Story** Thomas W. Lippman,2023-04-03 The captivating story of an influential journalist

demonstrates the value of a free press to democratic society In the decades between the Great Depression and the advent of

cable television when daily newspapers set the conversational agenda in the United States the best reporter in the business was a rumpled hard drinking figure named Homer Bigart Despite two Pulitzers and a host of other prizes he quickly faded from public view after retirement Few today know the extent to which he was esteemed by his peers Get the Damn Story is the first comprehensive biography to encompass all of Bigart s journalism including both his war reporting and coverage of domestic events Writing for the New York Herald Tribune and the New York Times Bigart brought to life many events that defined the era the wars in Europe the Pacific Korea and Vietnam the civil rights movement the creation of Israel the end of colonialism in Africa and the Cuban Revolution The news media s collective credibility may have diminished in the age of Twitter but Bigart s career demonstrates the value to a democratic society of a relentless inquiring mind examining its institutions and the people who run them The principle remains the same today the truth matters Historians and journalists alike will find Bigart s story well worth reading

The Obscene Bird of Night José Donoso,2024-04-30 Newly revised and updated by Megan McDowell and with a new introduction by Alejandro Zambra at last the unabridged centennial edition of Donoso s terrifying masterpiece sees the light of day Deep in a maze of musty forgotten hallways Mudito rummages through piles of old newspapers The mute caretaker of the crumbling former abbey he is hounded by a coven of ancient witches who are bent on transforming him bit by bit into the terrifying imbunche a twisted monster with all of its orifices sewn up buried alive in its own body Once Mudito walked upright and spoke clearly once he was the personal assistant to one of Chile s most powerful politicians Jer nimo de Azcoit a Once he ruled over a palace of monsters built to shield Jeronimo s deformed son from any concept of beauty Once he plotted

with the wise woman Peta Ponce to bed In s Jer nimo s wife Mudito was Humberto Jer nimo was strong In s was beautiful once upon a time Narrated in voices that shift and multiply The Obscene Bird of Night frets the seams between master and slave rich and poor reality and nightmares man and woman self and other in a maniacal inquiry into the horrifying transformations that power can wreak on identity Now star translator Megan McDowell has revised and updated the classic translation restoring nearly twenty pages of previously untranslated text that was mysteriously cut from the 1972 edition Newly complete with missing motifs restored plots deepened and characters more richly shaded Donoso s pajarito little bird as he called it returns to print to celebrate the centennial of its author s birth in full plumage as brilliant as it is bizarre

The Scots Magazine and Edinburgh Literary Miscellany ,1816 **Yokosuka D4Y 'Judy' Units** Mark Chambers,2021-09-16 In 1938 the Yokosuka Naval Air Technical Arsenal acting under the requirements issued by the Kaigun Koku Hombu for a Navy Experimental 13 Shi Carrier Borne specification for a dive bomber to replace the venerable Val aboard carriers The resulting D4Y Suisei Comet codenamed Judy by the Allies was initially powered by a licence built German Daimler Benz DB 601 inline engine as used in the Bf 109E Despite making an inauspicious combat debut during the Battle of Midway in June 1942 the Judy eventually proved to be an important asset for the IJNAF during battles in the latter years of the Pacific War Its great successes resulted in the sinking of the escort carrier USS Princeton in an early kamikaze attack of the Philippines and the near sinking of the fleet carrier USS Franklin in a dive bombing attack off Japan While the Judy had an impressive top speed like its predecessor and many other Japanese military aircraft it possessed design shortcomings including inadequate armour protection for its aircrew and no self sealing fuel tanks As a result when pitted against new advanced US Navy fighters suffered horrendous losses During the final months of World War 2 it became apparent that there would be no Japanese victory Acting out of desperation the IJNAF employed the Judy in the dreaded kamikaze role in which it excelled due to its high speed characteristics Most notably the D4Y mounted one of the last combat actions of World War 2 when a flight of 11 Judies personally led by the instigator of the suicide attacks Vice Admiral Matome Ugaki took off on a search mission on August 15 1945 This volume chronicles the action packed wartime exploits of Japan s finest dive bomber of World War 2
