9 v New York Public Library. Research Libraries, New York Public Library. Theatre Collection, 1967 **Manifesto** Ernesto Che Guevara, Friedrich Engels, Karl Marx, Rosa Luxemburg, 2015-04-10 If you are curious and open to the life around you if you are troubled as to why how and by whom political power is held and used if you sense there must be good intellectual reasons for your unease if your curiosity and openness drive you toward wishing to act with others to do something you already have much in common with the writers of the three essays in this book Adrienne Rich With a preface by Adrienne Rich Manifesto presents the radical vision of four famous young rebels Marx and Engels Communist Manifesto Rosa Luxemburg's Reform or Revolution and Che Guevara's Socialism and Humanity **A Spectre, Haunting** China Miéville, 2022-11-01 China Miéville's riveting engagement with the Communist Manifesto offers a lyrical introduction and a

spirited defense of the modern world's most influential political document. Few written works can so confidently claim to have shaped the course of history as Karl Marx and Friedrich Engels's *Manifesto of the Communist Party*. Since first rattling the gates of the ruling order in 1848, this incendiary pamphlet has never ceased providing fuel for the fire in the hearts of those who dream of a better world. Nor has it stopped haunting the nightmares of those who sit atop the vastly unequal social system it condemns. In this strikingly imaginative introduction, China Miéville provides readers with a guide to understanding the *Manifesto* and the many specters it has conjured. Through his unique and unorthodox reading, Miéville offers a spirited defense of the enduring relevance of Marx and Engels' ideas. Presented along with the full text of the *Communist Manifesto*, Miéville's guide has something to offer first-time readers, revolutionary partisans, and even the most hard-nosed skeptics.

The Academy and Literature, 1882 **Rudyard Kipling** David Alan Richards, Beinecke Rare Book and Manuscript Library, 2007-01-01 This text is organized chronologically, beginning with Kipling's birth in India in 1865 and extending to movies, plays, and new editions of his works that have appeared since his death in 1936. The selected items create a timeline of his life and popular works, including *The Jungle Books* and *The Just-So Stories*. **The Spectator**, 1877 A weekly review of politics, literature, theology, and art. **Stephen Crane** John Berryman, 2024-08-06 This is the only biography by a leading American poet of the great American writer Stephen Crane. John Berryman originally wrote this book in 1950 for the distinguished American Men of Letters series and revised it twelve years later. This edition reproduces the later version. In *Stephen Crane*, Berryman assesses the writings and life of a man whose work has been one of the most powerful influences on modern writers. As Edmund Wilson said in *The New Yorker*, Mr. Berryman's work is an important one and not merely because at the moment it stands alone. We are not likely soon to get anything better on the critical and psychological sides. It is Berryman's special insight into Crane as a poet that makes this book unique. *The Meddler*, 1743 **The Printing Times and Lithographer**, 1881 *The Dublin University Magazine*, 1865 *Necessary Knowledge* Leslie Smith, 1993 The main conclusion drawn in this text is that Piaget's accounts of the construction of necessary knowledge continue to have an intelligible and respectable basis. *Manifesto of the Communist Party* (共产党宣言) Karl Marx, 2011-07-15 Unlike some other reproductions of classic texts: 1. We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavored to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. *University Magazine*, 1865 *The Craft of a Good Scribe* Steve Vinson, 2017-11-06 In *The Craft of a Good Scribe*, Steve Vinson offers a comprehensive study of the Demotic Egyptian First Tale of Setne Khaemwas, Third Century BCE, the first to appear since 1900. First Setne is the most important extant Demotic literary text and among the most important fictional compositions from any period of ancient Egypt. The tale, which is by turns lurid, tragic, and ultimately comic, deals with Setne's theft of a

magic book written by the god Thoth himself and subsequently Setne's punishment through a hallucinatory encounter with the ghostly femme fatale Tabubue Vinson provides a new textual edition and commentary and explores the tale's cultural background its modern reception and approaches to its interpretation as a work of literature **The British Review ...**
,1859 *Science* John Michels (Journalist),1904 Vols for 1911-13 contain the Proceedings of the Helminthological Society
