Web of Desire Danica Slate,2015-01-07 The ancient Sorcerer Demart has found his rebellious son the perfect fertile young bride to carry on his bloodline The only problem is that neither the bride nor the groom want anything to do with one another In secret each of them has taken a fae lover members of the mysterious forest people known as Woolgatherers Together with their magical lovers the betrothed couple hatch a plan to counteract the old wizard s wedding plans There s only one problem in order to fool the powerful sorcerer they re going to need to switch bodies and the wedding ceremony isn t over until the marriage has been consummated Put your arms around me Tyall whispered against her ear Kara did so and nestled into the crook of her neck The woolgatherer continued to murmur A warm wind kicked up around them swirling leaves up from the earth and fluttering against their skin Black and red hair swirled into tangles together The human woman clung tighter as a strange dizziness overtook her She began to lose her sense of balance as her stomach fluttered into her throat All she could hear now was the sound of Tyall murmuring her strange song She gasped as the world lurched around her For several moments it felt like she was falling through the air turning over and over without purchase until suddenly she jolted back to solid ground again Oh she cried out and pulled back from the embrace Her heart was racing and her vision swam The world

felt different Sounds were sharper smells clearer A naked figure stood before her that of a short slim muscled woman with black hair and a steely hazel eyed gaze She was staring at herself Kara broke out in amazed laughter Terren smiled wider from his position at the edge of the circle Aidan turned back around annoyed and curious Tyall in Kara s body picked up the discarded nightgown and pulled it back on She stretched acclimating to the new body Hmm she murmured thoughtfully then wagged a long finger at Kara who stood uncertainly in Tara s lithe tanned body It would seem Demart didn t choose an untouched woman for his son What How do you know that Kara s skin turned darker in a blush She looked to Terren who shrugged I see Tyall s laugh was like a bell as she winked at other woolgatherer You worked faster than I expected She walked toward a bewildered Aidan and wrapped her arms around his neck He was still thrown that the woman who had previously hated the sight of him was now in his arms Don t pull away from me my love she laughed We are to be married How How long will this last he asked between kisses You re suddenly so shy It s adorable Don t get too friendly with my body Kara frowned with Tyall s full red lips Well the same goes for you kitten I m going to have to ask you to keep away from your little lover boy here until this business is finished Though I understand that may be rather difficult for you to manage the disguised woolgatherer winked at her and glared purposefully at Terren who looked so chagrined that Kara almost laughed out loud Kara had never realized her glare was so effective until seeing it in action Maybe she d go out of her way to make Tyall eat her words

Bram Stoker: Complete Novels Bram Stoker, 2023-12-28
Bram Stoker Complete Novels presents the full breadth of Stoker's literary output, including the seminal work *Dracula*, a gothic horror masterpiece that has reshaped the genre. This collected volume offers readers a chance to explore Stoker's intricate narrative style, which blends rich atmospheric prose with epistolary techniques, allowing for a multifaceted exploration of his characters' psyches and social contexts. Thematically, Stoker navigates the tension between modernity and ancient folklore, reflecting the anxieties of Victorian society regarding sexuality, imperialism, and the unknown. Bram Stoker, an Irish writer and theater manager, was deeply influenced by his fascination with stagecraft and the supernatural. His background gave him unique insights into the performance of fear and seduction, elements that permeate his stories. Stoker's experiences with literary figures of his time, particularly his friendship with Oscar Wilde, also shaped his understanding of the complexities of desire and morality, both central themes in his novels. For readers captivated by gothic literature or those seeking a deeper understanding of the genre's evolution, *Bram Stoker Complete Novels* is indispensable. This anthology not only serves as an introduction to Stoker's world but also invites a reevaluation of his contributions, showcasing his lasting influence on horror fiction and popular culture.

Loving Dr. Johnson Helen Deutsch, 2011-02-15
The autopsy of Samuel Johnson (1709-84) initiated two centuries of Johnsonian anatomy, both in medical speculation about his famously unruly body and in literary devotion to his anecdotal remains. Even today, Johnson is an enduring symbol of individuality, authority, masculinity, and Englishness, ultimately lending a style and a name to the Age of Johnson in the eighteenth-century English literary canon. *Loving Dr. Johnson* uses the enormous popularity of Johnson to understand a singular case of author love and to reflect upon what the love of authors has to do with the love of literature. Helen Deutsch's work is driven by several impulses, among them her affection for both Johnson's work and Boswell's biography of him, and her own distance from the largely male tradition of Johnsonian criticism, a tradition to which she remains indebted and to which *Loving Dr. Johnson* is ultimately an homage. Limning sharply Johnson's capacious oeuvre, Deutsch's study is also the first of its kind to examine the practices and rituals of Johnsonian societies around the world, wherein Johnson's literary work is now dwarfed by the figure of the writer himself. An absorbing look at one iconic author and his afterlives, *Loving Dr. Johnson* will be of enormous value to students of English literature and literary scholars keenly interested in canon formation.
