certainly never received scholarly treatment Young begins the volume with a lengthy introduction assessing nineteenth century media emphasizing the importance of the written word to the perpetuation and preservation of these myths He draws on numerous nineteenth century books periodicals and ephemera including digitized newspaper archives particularly the British Newspaper Archive an exciting new hunting ground for folklorists The Nail in the Skull and Other Victorian Urban Legends will appeal to an academic audience as well as to anyone who is interested in urban legends **Oxford Thesaurus of English** Maurice Waite,2009-08-13 The leading single volume English thesaurus explores the richness of the English language with hundreds of thousands of synonyms and antonyms and thousands of example sentences drawn from the Oxford English Corpus finds the word you need quickly with carefully chosen and arranged synonyms broadens your vocabulary and finds solutions to word puzzles and crosswords with hundreds of thematic word lists and helps express yourself more accurately with hundreds of Choose the Right Word boxes exploring the difference between similar words Book Jacket **A Companion to the Biopic** Deborah Cartmell,Ashley D. Remember Death Matthew McCullough,2025-06-10 The Best Way to Find Meaning in Life Is to Get Honest About Death Life expectancy worldwide is twice what it was a hundred years ago And because of modern medicine many of us don t often see death up close That makes it easy to live as if death is someone else s problem Ignoring the certainty of death doesn t protect us from feeling its effects throughout the lives we re living now but it does hold us back from experiencing the powerful everyday relevance of Jesus s promises to us So long as death remains remote and unreal Jesus s promises will too But honesty about death brings hope to life That s the ironic claim at the heart of this book Cultivating death awareness helps us bring the promises of Jesus from the hazy clouds of some other world into the everyday realities of our world where they belong Insightful and Accessible Draws from many sources including research from science and psychology and examples from literature pop culture theology and Scripture Christ Centered Encouragement for Life and Loss Teaching what the Bible says about identity futility and grief McCullough offers hope that is tied to the promises of God Replaces ISBN 978 1 4335 6053 8
