Malcolm Doney,2014-05-24 WHAT THIS BOOK IS ABOUT AND WHY IT IS IMPORTANT This is the book the Banksters DO NOT want you to read G Malcolm Doney Author The title of this Book conveys a great deal of what this subject is about It is the Bankster Busters Bible and carries the sub title How to Fight the Banks and Win which was the title of the first on line publication by this author in 2009 So what exactly is a Bankster Well it sounds a lot like Gangster and the icon on the book s cover is meant to convey that meaning This title was bestowed upon the Banking industry during The Great Depression following the 1929 Stock Market Crash and in the opinion of the author no title was more justly deserved Since those terrible days deliberately orchestrated by Banksters those interrelated industries that control our entire financial system have become even more skilled at the manipulation of the apparent value of fiat money and real assets to its advantage all behind a mask of respectability but to the considerable disadvantage of the American people and the rest of the world s population In 1914 the Banking industry pulled its biggest confidence trick ever when it persuaded the American Congress and its then President to create the Federal Reserve a private bank and to delegate to the owners and controllers of that private bank the power to create and control the country s legal tender the US Dollar Once that scam was securely established as part of the system and the people got used to it the powers of the Feds as they became known were stealthily increased until most citizens in the United States now mistakenly believe that it is a government department whose function is to control the economy by ironing out the excess highs and lows of natural market forces The truth is that it actually deliberately creates those excesses in order to subject Americans to the cruelest tax of all time that of the hidden costs of the manipulation of the Dollar and other world currencies Examples of how this has worked to the disadvantage of Americans are the many stock market debacles and the manipulation of foreign currencies to force devaluations [Master the Brand Called YOU: The Proven Leadership Personal Branding System to Help You Earn More, Do More and Be More At Work](#) Brenda Bence,2014-07-03 Are YOU the brand of choice in your workplace The world s most successful brand names inspire loyalty and trust You rely on them again and again for their quality innovation and performance What would it mean for your career your job satisfaction and your income potential if your boss colleagues and customers felt the same about YOU This groundbreaking book provides you with the only start to finish system for defining communicating and taking control of your leadership personal brand at work whether you are leading yourself or leading others Modeled after proven big brand marketing methods Master the Brand Called YOU guides you step by step through corporate branding techniques never before adapted for personal use You will learn how to Identify the 6 essential positioning elements that define your leadership personal brand Master the 5 everyday activities that most clearly communicate your brand as a leader Avoid the top 20 Leadership Personal Brand Busters that could keep you from success Increase both your earning power and your job
