cultural idiosyncrasies Like they say in our profession strongly recommend R Srinivasan Head of Equity SBI Mutual Funds A lucid and at times provocative narration of the life of an investment professional with some desi colour that provides a ringside view of an exhilarating milieu in Indian economy The unique style of the author makes each character in the story come alive Mahesh Patil Co Chief Investment Officer Birla Mutual Fund About the book When Yayaati a pre millennial small townner takes up a stockbroking job in Mumbai after his MBA little does he know what the future has in store for him The turmoil and turbulence of the Indian stock market narrated by Yayaati named after a character from the Mahabharat takes you through a roller coaster of emotions Fiction and reality intertwine and the reader experiences what it must have been like to be in a high voltage electrifying environment that changes and influences the protagonist s life in myriad ways Power sex drugs it s all here and more And at its height Yayaati throws it all away Or does he Yayaati is not a hero but he is not a villain either The author shows a mirror to The Yayaati Generation and forces them to think about the choices they have made Most of the character names are allegorical some ironically so At a higher level the text is a treasure hunt with varied references buried within The author attempts to both amuse and annoy the reader sometimes simultaneously
