**Why I Am Still Surprised by the Power of the Spirit** Jack S. Deere, 2020-04-07 In his classic Surprised by the Power of the Spirit Jack Deere looked at the reason why many Christians including himself at the time struggle to believe in miraculous gifts and he provided a groundbreaking biblical defense of the Holy Spirit s speaking and healing activities today In Why I Am Still Surprised by the Power of the Spirit the former Dallas Seminary professor revisits his earlier subject matter with fresh insight and even stronger conviction the Scriptures teach that God is healing and speaking today just as he did 2 000 years ago Having almost entirely rewritten Surprised by the Power of the Spirit this new edition comes at a time when the theological landscape has dramatically changed and most evangelicals do believe in all the gifts of the Spirit But many of us are still unsure how to understand those gifts and there is much confusion today on what it means to be filled with the Spirit This book is for those familiar with Deere s work and for newcomers alike In it he Explains the nature of spiritual gifts defining each of them Offers sound advice on discovering and using spiritual gifts in church Tells documented stories of modern miracles and encounters with demonic powers Examines the New Testament use of the phrase filled with the Spirit to show why and how God still fills his servants with the Holy Spirit Introduces the newest literature defending and explaining the gifts of the Spirit With the care of a scholar and the passion of personal experience this new edition builds upon the legacy of Surprised by the Power of the Spirit and the profound impact it s had among Christians of many traditions

Mungal, 2008-05-02 When a missionary becomes a victim of depression author Harrison Mungal suffered from depression as a result of the death of his co worker and friend while living in Croatia for two years It came as a serious blow to the mind and he found it difficult to cope Harrison is a man of passion who enjoys supporting individuals who may be in distress

however when his time came he almost fell apart For over one year he refused to draw from his source of strength as he felt his source of strength was responsible He had a pain no medicine in the world could cure The battle between grief and depression struck him down He became like the walls of Jericho and began to crumble He returned back to Canada from Croatia and began to fight a different type of war A war between himself and depression after a period of time he went back to his source of strength and was taken into a spiritual journey which brought him out of his predicament He had a glimpse of power which transformed his life to support those who are suffering with the same or similar issues Life is like a vapour one minute you see it and another minute it s gone This book tells the story of a heart that was broken as a result of the death of a friend The author shares about the strength of a wife and the power of belief The book gives the reader hope that is built on ones spirituality Just A Glimpse will change your life for a lifetime expresses the importance of hope A glimpse of hope brings strength and strength will transform a life to live The depth of hope is explored which brought victory As we capture a glimpse we will develop a desire to become witnesses knowing that God is able to do the impossible *Bare Feet and Buttercups* Ruth Burgess,2008-06-01 A collection of worship and reflection resources for the summer period of Ordinary Time prayers stories responses songs poems reflections and meditations written by Iona Community members associates friends and others Sanctus David T Williams,2010-12-06 Even a cursory glance at the moral state of society and regrettably often including the Church shows a remarkable lack of holiness Yet God commanded us to be holy as he is holy Is not the lack of holiness at the root of much of the weakness of today s church This in depth study of sanctification centres on what God Father Son and Holy Spirit has done to make us holy and what the Christian response should be It understands sanctification as both demanded by and dependent upon justification an ongoing process coupled with distinct events of grace Christ has died for us to enable forgiveness sanctification is the development of the life of Christ in us A feature of the book is its provision of several illustrations of the path of Christian sanctification **The God Chasers** Tommy Tenney,1999-02-28 A God chaser is a person whose passion for God s presence presses him to chase the impossible in hopes that the uncatchable might catch him A child chases a loving parent until suddenly the strong arms of the father enfold the chaser The pursuer becomes the captive the pursued the captor Paul put it this way I chase after that I may catch that which apprehended me Phil 3 12 Job was a God chaser He said Oh that I knew where I might find Him David was one he said My soul followeth hard after Thee Paul was one too That I may know Him The passionate paths of God chasers can be traced across the pages of history from Moses the stutterer David the singer and Paul the itinerant preacher to contemporaries like A W Tozer Leonard Ravenhill and countless others who share one common bond an insatiable hunger to know their Lord These are people whose relentless passionate pursuit of Christ often made them appear foolish in the eyes of others Yet having tasted His goodness and glimpsed the invisible they could be satisfied with nothing less Add your name to the list become a God chaser Who know You might be one whom He catches **52 Weeks of Practical Applications to Biblical**

**Principles** Dr. Catherine Braswell,2018-02-02 It is Dr Catherine Braswells opinion that in our daily walk as a Christian reading studying and learning the Word of God Bible is very important But over the course of years I have noticed that as Christians it is very hard for many of us to take what we have learned and walk it out from day to day We can read the Bible and tell others what we have read but very few of us can actually take the words of the scripture and apply them to daily crisis For this reason I would like to introduce you to a guide that will teach you how to walk daily in the Word of God This is a book of fifty two weeks of biblical principles with weekly applications to help the reader or Christian practice as you go through life challenges It will teach you how to face life challenges without losing or compromising your integrity As you apply these principles you should be able to see growth and maturity in life and learn how to trust God in every area and situation that you may encounter in this life

**From the Pulpit** Thembinkosi S. Vinculum Amoris David Williams,2004-05 Christianity is not just a set of moral commands It is not just belonging to a church It is not just remembering its founder of long ago It is all of these but far more it is a vital relationship with a living and loving God And it is the Holy Spirit third Person of the God head who makes this happen Vinculum amoris is Latin for bond of love which describes the essential activity of the Spirit Because the Spirit links us to God he saves us guides and empowers us He enlivens our worship such as in baptism and the Lord s Supper He stimulates our praying and gives gifts to deepen the quality of our lives and service to God Because he links us to God we are linked to each other in a deeper way Enriching yes And the more that we understand how the Spirit does it the deeper this enriching will be The author s prayer is that this book will do just that for God s people and for his Church
