The last thing she expects is to get an early release along with a job on a remote Canadian cattle ranch serving dinners to three of the sexiest cowboys she's ever met: Rafe, Brady, and Dan. They thought they were getting a couple of male ex-cons to help out around their secluded ranch, but instead they get an attractive and very appealing female. In the snowbound wilds of Northern Ontario, female companionship is rare. It's a good thing the three men like to share. When JJ embarks on a solo flight to the city for a fun-filled surprise wedding shower for a pilot friend, her trip is shattered when she's caught in a violent storm. She has no choice but to land upon one of the many desolate lakes in the unforgiving wilderness of Northern Ontario, Canada. After securing shelter on land, she teeters on the brink of despair when her float plane disappears on the lake of many bays. Has her plane sunk? Or is it floating out there somewhere? JJ will have to tap into newfound courage in order to protect her unborn baby and survive while grappling with the uncertainty of rescue. Rafe, Dan, and Brady are thrown into a desperate rescue mission when the woman they love doesn't come home. With the help of their pilot friends, they'll leave no stone unturned in their search. With little sleep and ongoing dangerous weather hindering their search, each cowboy must face their own fears about the possibility of life without JJ and the baby she is carrying. Will they ever find out who the father of the baby is? Will JJ and her unborn baby make it out of the unforgiving wilderness? And can her three cowboys hold it together as they race against the elements to bring her home to her young daughter and back into their hearts once again? Find out in *Rescued by Her Cowboys*.
