Out of this World Anna Lewis, 2020-04-02 Talia was only a child when it was revealed that aliens have been living among the human race for many years and that they've always been planning a rebellion. She's grown up in the war and has become a badass loner fighter because of that. But life in the middle of the war isn't always easy and soon she gets captured by the enemy. As she spends time with the people that she's spent her entire life fighting against, she starts to notice a bond building a common ground but that quickly turns into something more scandalous which might just threaten absolutely everything. I've never been interested in alien men like so many other women I know are until I find myself stranded on a remote planet in the middle of a solar storm. But meeting Junk, a hot alien brute, soon changes my mind, especially when he strips naked in front of me, revealing his huge muscular body and a whole lot more. I try hard to resist his primal and savage attempts to get me naked too, but I soon find myself submitting to his brutish demands. Even though it's my first time and a desolate junkyard isn't the most romantic place
