New York, 2005 **Tragediia sovetskoi derevni**, 1999 **My Possessive Biker** Jerry Hastings, Michael Levi, 2025-10-23 Dennis I don t believe a word he s saying Someone s hunting me down It s a lie I know it is Now I m forced to live with him and he looks out for me in weird but endearing ways He bathes me makes me go to bed at 10 p m and gives me toys even though I m an adult What s wrong with him What s wrong with me I actually like it And then he tells me

everything that he used to have a little that he wishes I were his little and I can't help but feel that it resonates with me I want to be his little to have him put a paci in my mouth and tell me stories before bed Matvei I'm not going to pretend I'm not crossing a line I just can't help it I look at those full lips those soft cheeks those big eyes and I see the little in him I start to care for him to hold him when he cries at night to play with him when he's stressed out Dennis is just perfect The problem is he's my CEO He's living with me now but he's still my boss And he isn't pushing me away He's accepting me and this new lifestyle Deep down he wants it All I can do is keep easing him into it He's becoming my little and when the time's right I'll tell him everything Set in the same universe as the first four books My Possessive Biker is a sweet ABDL gay age play romance It has a very happy ending that wraps up the series and a pint of steam You can read this book as a standalone or enjoy it after the others for a richer experience Characters are 18 *Tranny Biker* Red Jordan Arobateau, 2004 The story of a female to male transexual and his dike biker friends in the Outlaws Biker Gang His transition life and loves circa 1998 8th book in the popular series THE OUTLAW CHRONICLES by Master Artist Red Jordan Arobateau Taken by the Biker Gang (Biker Erotica) Laine Madison (author), 1901 **Wilbur the Gay Unicorn** Marcus Lambert, 2015-11-02 I thought I was eating a monkey I was only trying to be polite Well boys and girls that rascal Gabe has gone and done it again This time he's gotten himself into a bit of a pickle involving a demonic death cult His pals Wilbur and Ralph are gonna have to bail him out lest the entire world plunge into utter chaos and despair But first Wilbur has to escape the clutches of a nefarious plutocrat and ol Ralph will need to figure out how to remove a psychic cat from inside his noggin while deposing a tyrant king on a transdimensional plane The thrilling saga begun with Ralph Pincus Occultist Extraordinaire now continues here in Wilbur the Gay Unicorn so saddle up and enjoy this unseemly tale of derring do Warning This book contains sexually explicit content and graphic language It is not intended to be read by anyone under the age of 18 Bike Boy Zack, 2011 96 pages of comic strip that's something that can be leafed through fairly quickly one should think But things are different when it comes to American comic artist Zack's juicy nasty and nostalgic erotic stories In fact the stories are so hot that readers will have trouble getting through just one of them from beginning to end without well taking a break shall we say But Zack's comics are also so much more than sex They're arty nostalgic and fantastically drawn a real treat for all the senses **Taken by the Tattooed Biker** Max Goo, Bikers pitched up next to us when we were naturist camping They looked scary and fierce but turned out to be as friendly as teddy bears and as cute as kittens They weren't one of those outlaw biker gangs that make the news headlines they were a group of enthusiastic nudists who also enjoyed something fast and powerful throbbing between their thighs A short erotic story of approx 3000 words EXTRACT The problem for me was many of the biker men were as hot as chocolate croissants straight from the oven and just as sweet When they weren't dressed in black leather they were muscles on muscles rippling abs and all inked up with colorful images tribal patterns and plain writing I wanted to stare at them but knew it was bad manners I wanted to get closer and study the ink and I wanted to examine more than just the

tattoos The jewelry that adorned their bodies also caught my attention Not just earrings and finger rings but pierced nipples tummy buttons and curious flashes of silver lower down too I wanted to investigate those genital piercings close up but would I ever get the opportunity They looked like gods and flirted like demons If anyone of them sent out an open invitation to his bed I d go I should be more discerning but you only live once And if you can t be discerning then be discreet Discretion is difficult in a tent in the middle of a busy camping field I was with my large family but at eighteen I was old enough to have my own tent and didn t have to sleep in my parent s campervan When a male voice whispered outside my tent at night and asked me if I fancied a moonlit walk down to the lake I was out of the door before I realized who it was And thrilled to discover the voice belonged to Logan I had no reason to feel guilty What did he ask Will you come with me That was it I wanted to come with him more than he knew I was single and old enough If I wanted to do things by the lake or in the woods that we had to pass on the way to the water s edge with a stranger then I could make that decision Will you come with me he repeated He wore nothing on his upper body except a sleeveless denim cut and no t shirt Tribal tattoos snaked around both his arms His washboard abs and small silver hoops through his nipples were right there on display but blue denim jeans covered his legs He must have thought it chilly in the dark He kept his eyes on my face It s not unusual for nudists to wear clothes when practical lots of people think we stay naked regardless of the weather but we aren t crazy Give me one minute I dashed back inside and pulled on a maxi dress plus thick socks and sensible walking shoes
