[Arouse \[Luscious Curves BBW Erotic Romance\]](#) Marlo Peterson, 2014-02-05. When you're looking for love in all the wrong places, it can be an exercise in futility. But when you stop looking, enjoy the fruits and beauty of life and get to know yourself, love kind of just sneaks up on you. That's the experience the women in these stories have and you get to hop on to their journeys from the very beginning. These erotic romance stories *He Lights My Fire* and *High Standards* illustrate women who are coming to grips with themselves and their futures and they end up crossing paths with handsome alpha males who have some life experience of their own. *He Lights My Fire*: Mending a broken heart is one part self-acceptance and two parts self-exploration. Trisha's adventure begins when during a wine and games night, her girlfriends shift the focus on the fact that it's been a year since she stepped back onto the market after a breakup. Rachel, her most outgoing friend, takes it upon herself to set Trisha up with a mutual friend who happens to put out fires and save lives for a living. It's time to get over her insecurities, get back on her feet and take a leap of faith in the form of a blind date with Nate, a strapping muscular fireman with model good looks and a gentler side. Will he be the fire Trisha needs on the road to finding herself? *High Standards*: I'm no longer attracted to you. Those words crushed Brittany to her core when her fiancé broke up with her. Coming from someone you love, even the most self-assured person in the world can crumble when faced with harsh realities. She takes hiatus from work and mourns the loss of her relationship for two months before finally deciding to get back in the game. When she creates a list to better herself, yoga is high on her list because she learned that it is soothing to the body and spirit. As fate would have it, the owner of her local yoga studio seems that he will also soothe her spirit and give her confidence for life. Shawn, an alpha male with the body of a god, gives her a one-on-one session that causes them to sweat it out. He's so inspired by her fighting spirit and she's inspired by his warm presence and strength. Could he be just what she needs to turn over a new leaf in her life? Is the ex totally out of the picture? Brittany is on a journey that will challenge her views on the world and help her learn what it takes to love yourself and someone else. **bbw bbw erotica bbw erotic romance bbw romance bdsm bdsm erotica bdsm erotic romance bdsm romance curves curves erotica curves erotic romance curves romance dominant man dominant male**
