Allan, Cristina Santos, Adriana Spahr, 2016-11-15 Virginity is of concern here that is its utter messiness At once valuable and detrimental normative and deviant undesirable and

enviable Virginity and its loss hold tremendous cultural significance For many female virginity is still a universally accepted condition something that is somehow bound to the hymen whereas male virginity is almost as elusive as the G spot we know it's there it's just we have a harder time finding it Of course boys are virgins queers are virgins some people reclaim their virginities and others reject virginity from the get go So what if we agree to forget the hymen all together Might we start to see the instability of terms like untouched pure or innocent Might we question the act of sex the very notion of relational sexuality After all for many people it is the sexual acts they don't do or don't want to do that carry the most abundant emotional clout Virgin Envy is a collection of essays that look past the vestal virgins and beyond Joan of Arc From medieval to present day literature the output of HBO Bollywood and the films of Abdellah Taïa or Derek Jarman to the virginity testing of politically active women in Tahrir Square the writers here explore the concept of virginity in today's world to show that ultimately virginity is a site around which our most basic beliefs about sexuality are confronted and from which we can come to understand some of our most basic anxieties paranoias fears and desires Hope and Glory Stuart Maconie, 2012-05-10 In Hope and Glory Stuart Maconie goes in search of the days that shaped the Britain we live in today Taking one event from each decade of the 20th century he visits the places where history happened and still echoes down the years Stuart goes to Orgreave and Windsor Wembley and Wootton Bassett assembling a unique cast of Britons from Sir Edmund Hillary to Sid Vicious along the way It's quite a trip full of sex and violence and the occasional scone and jigsaw From pop stars to politicians Suffragettes to punks this is a journey around Britain in search of who we are **The Routledge Research Companion to Popular Romance Fiction** Jayashree Kamblé, Eric Murphy Selinger, Hsu-Ming Teo, 2020-08-11 Popular romance fiction constitutes the largest segment of the global book market Bringing together an international group of scholars The Routledge Research Companion to Popular Romance Fiction offers a ground breaking exploration of this global genre and its remarkable readership In recognition of the diversity of the form the Companion provides a history of the genre an overview of disciplinary approaches to studying romance fiction and critical analyses of important subgenres themes and topics It also highlights new and understudied avenues of inquiry for future research in this vibrant and still emerging field The first systematic comprehensive resource on romance fiction this Companion will be invaluable to students and scholars and accessible to romance readers *Arany Júlia 67.* Jessica Gilmore, Barbara Wallace, Miranda Lee, Nina Singh, 2024-11-13 Jessica Gilmore Emlékszem a szerelemre Egy autóbalesetet követően Matteo elvesztette az emlékeit egy részletes leírás arról hogy megérintette az emlékeit A feleség éppen a házban szeret gondoskodni ott ül mellette s a férfi memóriája lassan visszatér Barbara Wallace Ki társítottak egy gazdag jóképű With Martin megírta a poklok poklát az alkohol és a drog foglya lett Tragédiának kellett történnie ahhoz hogy elhatározza abbahagyja az napszittert letévedt Az elvonóra ugyan megszabadította a függést de egy lény szerelme is székséggé vált hogy nemagának is megbocsásson Miranda Lee A hűvös Ruby szerencsésnek rzi magt hogy megkapta a hűvös nőt a hűvös filmproducernél Sebastian Marshallnál A helyszínen ahol
