geboren though whether his family was noble or not is a disputed point in any case Wolfram was a poor man as the humorous allusions which he makes to his poverty abundantly testify Yet he does not seem to have led the life of a wandering singer as did his famous contemporary Walther von der Vogelweide if Wolfram journeyed as he probably did it was rather in search of knightly adventures he tells us Durchstreifen muss Der Lande viel Wer Schildesamt verwalten will and though fully conscious of his gift of song yet he systematically exalts his office of knight above that of poet The period when Wolfram lived and sang we cannot say wrote for by his own confession he could neither read nor write I ne kan decheinen buochstap he says in Parzival and in Willehalm Waz an den buochen steht geschrieben Des bin Ich kunstelos geblieben and his poems must therefore have been orally dictated was one peculiarly fitted to develop his special genius To be continue in this ebook
